Welcome!

## Welcome to BELS!

Do you want a change in your daily routine? Or take a break from your daily scenery? Would you rather be in a sunny place by the sea? Together with people your age looking to make new friends and learn English? Then you've come to the right place!!!

We are offering exciting junior camps that are targeted at fun-loving, adventure seeking 12-17 year olds on sunny Malta. The Summer Camp will be based in Mellieha, the city that is home to the longest and most beautiful sandy beach on the island. This means that after your classes it will be very easy to zip down to the beach and enjoy the 4 S's: swimming, sunbathing, surfing & sailing. Our Easter and Autumn Camps will be based in the lively holiday resort of St. Paul's Bay.

Your lessons will be delivered by our team of lively, motivated and qualified teachers. They will give great importance to your motivation, since we want you to develop a natural sense for the English language whilst having a lot of fun too. You will be amazed by how much fun it can be to study English grammar! Classes will be divided into small international learning groups that will allow you to meet interesting people from all over the world and make new friends. At the beginning of the course you will sit for a level test, so that we can place you in a class that will meet your learning needs.

Your accommodation will also be a pleasant surprise. You can either be accommodated close to the school in one of our comfortably furnished 3 and 4-star residences with swimming pools or in one of our carefully chosen English speaking host families. After your classes, you are welcome to participate in our after-class activity program, which will include trips to the beach, parties, city tours and great excursions. These won't be boring, quite the opposite – they will teach you interesting facts about Malta's history in a fun and practical way.

You will more than likely have an amazing time in Malta, with the crystal clear sea, beautiful coastline, picturesque towns and interesting sites. Who could want more from a language destination? What are you waiting for? Travel with us to Malta and have an unforgettable time on our Mediterranean islands!

Apart from junior camps in the Easter, Summer and Autumn holidays, we also offer English courses for adults all year round in our language schools in Malta and Gozo. We offer a great variety of group and individual programs, as well as combinations of both for language students of different levels. Adults from the age of 18 can also book accommodation close to the language schools. We have offered English courses on the Maltese Islands for more than 10 years and therefore you will be benefitting from our long experience. All our language schools are members of the language organization IALC (International Association of Language Centers) that constantly guarantees the quality of our schools through regular independent inspections.

Your Language School

## Language School & Courses

### Summer Course

Lessons will be given at a school in the beautiful village Mellieha. The village is known for its white sandy beach, which is the longest and most beautiful one on the island. The beach is located only a 15-minute walk from the language school, so after lessons getting to the beach will not take long at all.

The school has 15 brightly lit and spacious classrooms. Break time will be spent in the school's sunny courtyard, here you will be able to chill or play games with your new friends. Also, just across the street from the school is a gorgeous park that is sure to be a favourite lunch time spot for international mingling.

### Easter & Autumn Courses

Our international language school is situated in the north east of the island of Malta in the heart of the picturesque tourist town of St. Paul's Bay. It is located a stone's throw away from the sea-side and surrounded by amenities such as the local council, post office, banks & various shops.

The school consists of 10 spacious and well-lit classrooms. Each classroom has an independent access and all are adequately equipped with teaching aids such as furniture which allow flexibility in classroom layout, whiteboards and audio-visual equipment. The school is also equipped with computers which you can use free of charge. The location also boasts a large open plan room that you can use during recreation time.

Your language course will be composed of 20 lessons of 45 minutes each per week. Groups will be kept small - about 6 to 7 (maximum 12) students – and the nationality mix will be varied. All teachers will be qualified in teaching English as a foreign language to young learners. The course materials will also satisfy the highest of standards and will be targeted to the needs and interests of young learners.

To achieve the best progress possible, you will need to complete a level test on your first day of school. But don't panic, you won't be graded. The test is solely for class placement purposes, thus ensuring that you are in a group with learners that are of approximately the same language level as you. This way, no one will be bored or overwhelmed.

During your course you will focus mainly on reading, speaking, writing & listening skills through exciting role plays and interactive exercises that will help you to improve your language systems too. Modern teaching methods allow the classes to be a lot of fun, even if they do contain a bit of a grammar focus.

A regular feature will be the welcome party where new students can meet their future classmates from all over the world and make new friends in a heartbeat!

Our afternoon activity programme will give you the chance to discover the island & the culture and also give you a taste of the Maltese way of life. Adventurous trips will take you to the historical cities of Valletta & Mdina. We will also organize

shopping trips to Sliema and boat tours to the nearby Islands of Gozo & Comino. Our sports programme will add to the fun of your language trip too. And last but not most definitely not least, there will be lots of opportunities to enjoy the glorious blue seas with trips organized to the lovely beaches the island has to offer. In the evenings, our more adventurous students will certainly enjoy the night hikes, while the "night owls" can dance the evenings away at our foam or salsa parties.

Your team leaders will also accompany you on all activities, telling you about the places you are visiting and also introducing you to the historical and cultural features of the Maltese Islands. At the beginning of the programme, during orientation, you will be introduced to our programme rules, which you must comply with. Participation in the organised

activity programme is compulsory for everyone. In this way your parents may put their mind at rest that their children are being well taken care of at all times.

BELS can also extend the language experience to adult learners, parents who wish to join their teenagers. Our international adult language school in St. Paul's Bay also offers adult students the opportunity to develop and improve the quality of their English. Parents can stay at the Residence Gillieru together with their children while attending language courses at our adult centre in St. Paul's Bay. Malta

## Malta – Mellieha & St. Paul's Bay

The sunny Mediterranean island of Malta is a fantastic year-round destination because of its warm summers and mild winters. This island is one of the few places on our planet that you can enjoy more than 10 hours of sunshine per day!

We are inviting you to hop on a plane and discover the 6000 years of Maltese history the island has to offer. The island still bears testament to the diverse peoples and cultures of its past; such as Phoenicians, Romans, Byzantine, Italians, Arabs and British. Another unique piece of history that Malta is proud to boast of are the Neolithic temples of Hagar Qim, Malta & Ggantija, Gozo.

However Malta does not only offer history & culture to its visitors, it also offers diverse opportunities for enjoyment too. Stylish cities, Mediterranean seaside promenades, ice cream parlours, swimming pools, fantastic beaches and clear waters are the perfect embodiment of what the island has to offer!

These two factors make the island a unique holiday destination but what also makes it perfect as a destination to learn the English language is that the islanders are all English speaking. The English language was established in Malta during the British colonial rule and is now the official language of the islands.

The Summer Camp is based in Mellieha, a picturesque town situated in the north-western part of Malta. It is also home to the longest and most beautiful sandy beach on the island, offering perfect conditions for swimming, playing beach-volley or simply relaxing in the warm sunshine. You can also practise lots of water sports such as snorkelling, sailing or windsurfing there!

Mellieha itself boasts an attractive mixture of historical buildings, quaint shops, fashionable boutiques, restaurants, clubs and cafés, the ideal hang-out spot to meet with friends & enjoy an ice-cream and of course, practise your English informally.

Our Easter and Autumn Camps are based in the north east of Malta, in the picturesque tourist town of St. Paul's Bay. It is Malta's largest popular summer resort offering a variety of leisure options. The coastline boasts wonderful open sea views and a vista across to St Paul's Island which according to legend is where the Apostle was shipwrecked. Initially a small fishing village, St. Paul's Bay is now a popular tourist destination with splendid hotels, fine restaurants, salsa bars, quaint shops and cafés where you can experience the true Maltese warm and welcoming atmosphere.
