## Meet and Greet

Airport pickup is included in the package. After leaving the aircraft, students must pickup their luggage and walk through the exit, where they will see our driver who will be holding a BELS sign. Our driver will drive students to our Juniors Residence where they will be greeted by our In-House Residence Leaders who will assist them with checking-in. Thereafter they will accompany them to their room and introduce them to their new roommates.

## Student Welcome

All new arrivals have to attend our Welcome Meeting. During this meeting they will receive a welcome pack (complete with emergency phone number), school & house rules as well as a copy of the weekly programme. The welcome meeting is then followed by an orientation walk of St. Paul's Bay and Bugibba.

## Activity Programme

A number of safe and fun-filled activities (that are tailor-made for young learners) are included in our Junior Camp. All activities are supervised by our trained activity leaders, who are dedicated to making sure students have the best possible time with us.
