# Your inclusive Bell experience

Students learn faster and more successfully when they use English all the time and in a range of situations.

That is why we offer fully integrated courses with lessons, activities, and exciting study tours.

## Inspiring lessons

Supporting and inspiring young learners to achieve their potential is at the heart of everything we do.

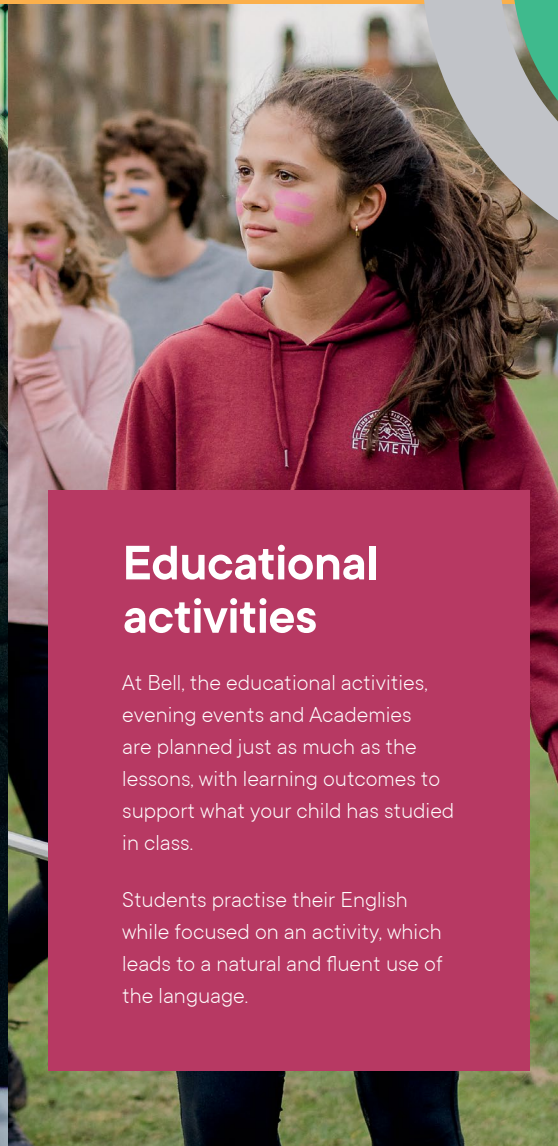

Lessons are carefully planned to improve students' language capabilities, develop vital 21st century life skills and build confidence.

## Project-based learning

Our Explorer courses focus on developing core English language skills through engaging and relevant weekly project themes, like 'Natural Wonders' and 'Protecting the Planet'.

Students work in groups and use new language learnt to produce a final project such as a short film, a story or a magazine.

## Educational activities

At Bell, the educational activities, evening events and Academies are planned just as much as the lessons, with learning outcomes to support what your child has studied in class.

Students practise their English while focused on an activity, which leads to a natural and fluent use of the language.

## Action-packed study tours

Every course includes study tours which are linked to the weekly project theme, so your child can explore the UK and experience British culture at no extra cost.

Every course includes a full day trip to London, which includes a walking tour, a trip to a top London museum, and the chance to visit iconic London landmarks.

# Our integrated approach

Take a look at what a typical week looks like on a Bell young learner programme.

## Student arrivals and departures

The Bell experience starts from the moment we collect your child at the airport. A Bell representative with a Bell sign will meet your child in arrivals and travel to Bell with a member of staff. On departure day, your child will be accompanied by a Bell member of staff to the check-in desk in time for their flight.

## Language test

We want your child to get the most out of their course. Each student takes a short English language test when they arrive to make sure they are placed in a class appropriate to their level.
