Our aim: future ready

At British Summer School, we aim to **inspire** our students and help them to develop the knowledge, abilities and qualities needed to fulfil their potential in both their personal and professional lives. We increase our students' ability and confidence to communicate and operate in the 21st century to help them **become happy, confident, and successful** individuals in a global and competitive world.

We aim not only to improve students' English and 21st century skills (communication, collaboration, creativity, and critical thinking), but also to discover their **True Me**; this helps them get ready for their future adult life.

During their course, students learn to face new challenges, explore new experiences, step outside their comfort zone, and overcome barriers. We give them the tools to achieve positive change for themselves.

Students leave British Summer School with new confidence in themselves, enhanced personal and social skills, better English, a deeper understanding of different cultures, new friendships, and memories to last a lifetime.

We increase our students' ability and confidence to communicate and operate in the 21st century.

Accredited by the
BRITISH COUNCIL
for the teaching
of English in the UK

Our courses

Our courses are based on the **Framework for 21st Century Learning*** and are carefully designed not only to develop students' English but also their life, career, learning, innovation, media and technology skills. Every course is **inspiring** and **challenging**.

Our portfolio is designed to be developmental and progressive, adapted to the age range of each course. Students can start their British Summer School journey on any course and if they return, we recommend they progress onto a different course within the series.

Students who attend more than one of our courses over a number of summers will benefit from the academic and personal development structure on which the portfolio is built.

Student numbers, nationalities and language quotas are controlled to provide a personal, intimate, and carefully managed experience for every student on every course.

Explorers of the future

This course is available to students aged between 6 and 12 and is ideal for a first-time experience of a Summer School. The course focuses on developing and improving students' instinctive curiosity and their growing desire to explore, understand, and learn.

COURSE FORMAT

This course runs in conjunction with Creators of the future. Students from both programmes share the same Core English and Learning & Innovation lessons, BSS Experience and all recreational activities and cultural excursions.

LOCATION

The course takes place at Brambletye School, a homely preparatory boarding school located on a large country estate overlooking Sussex' beautiful Ashdown Forest in the Southeast of England.

ENGLISH LEVELS

The course welcomes students all English levels from A1 Beginner to C1 Advanced.

LESSONS

There are 20 hours per week with 3 types of lessons: Core English, Learning & Innovation and Focus Exploration. The objectives of the lessons are to improve students' receptive and productive language skills and to develop their ability to communicate and operate in the 21st century.

MISSION: INTEGRATION!

This takes place on Sunday evenings and consists of icebreaker and get-to-know-you activities to help new students integrate into school life and meet continuing students.

HOUSEWARMING!

On Monday evenings, students take part in a series of house-based games and activities to help them build new and consolidate existing friendships with other students from the same house.

COURSE OVERVIEW

Lessons

CORE ENGLISH

English language lessons are designed to improve students' receptive and productive skills (reading, writing, speaking, listening), extend the scope and range of their vocabulary in both formal and informal contexts and deepen their understanding of grammar to improve spoken and written accuracy.

LEARNING & INNOVATION

These task-based lessons enable students to work collaboratively to research, discuss and create projects that reflect their knowledge, skills, and personality while developing strategies that are essential for success in the 21st century. The projects have been specially created to help develop the students' capabilities in each of the 4Cs that form the core of the 21st Century Learning curriculum: Collaboration, Communication, Creativity, and Critical Thinking.

FOCUS EXPLORATION

These practical lessons are designed to improve students' English and develop their abilities to explore and understand the natural world. Lessons may include:

- Comparing different types of habitats
- Identifying common plants
- Forest school visit
- Nature walk
- Studying the animal kingdom
- Solar system project

MISSION:
INTEGRATION!

Sunday evenings offer organised ice-breaker activities that allow new and continuing students to meet each other and start to build new friendships.

Lessons

CORE ENGLISH

English language lessons are designed to improve students' receptive and productive skills (reading, writing, speaking, listening), extend the scope and range of their vocabulary in both formal and informal contexts and deepen their understanding of grammar to improve spoken and written accuracy.

LEARNING & INNOVATION

These task-based lessons enable students to work collaboratively to research, discuss and create projects that reflect their knowledge, skills, and personality while developing strategies that are essential for success in the 21st century. The projects have been specially created to help develop the students' capabilities in each of the 4Cs that form the core of the 21st Century Learning curriculum: Collaboration, Communication, Creativity, and Critical Thinking.

FOCUS ARTS

These lessons are designed to improve students' English and at the same time, develop their knowledge and interests in a range of arts-based subjects and topics such as:

- Artistic expression
- Artistic skills development
- Business & entrepreneurship
- Contemporary arts trends
- Creativity and idea generation
- History of art
- Innovation & experimentation

MISSION:
INTEGRATION!

Sunday evenings offer organised ice-breaker activities that allow new and continuing students to meet each other and start to build new friendships.

Leaders of the future

Lessons

ACADEMIC ENGLISH

These lessons are designed to improve understanding of written and spoken academic texts, develop lecture and note-taking skills, organise and write academic essays, develop debating skills on academic topics and enhance independent learning skills and critical thinking.

BUSINESS ENGLISH

These lessons focus on developing English skills and expanding vocabulary within business contexts such as international trade, commerce, finance, insurance, banking, and office settings. Lessons help students practise and enrich their communication skills and refine their grammatical structures to improve their confidence to conduct business in English.

LEARNING & INNOVATION

These task-based lessons enable students to work collaboratively to research, discuss and create projects that reflect their knowledge, skills, and personality while developing strategies that are essential for success in the 21st century. The projects have been specially created to help develop the students' capabilities in each of the 4Cs that form the core of the 21st Century Learning curriculum: Collaboration, Communication, Creativity, and Critical Thinking.

FOCUS LEADERSHIP

These lessons are designed to develop the students' understanding of leadership qualities and skills. The course examines the characteristics which are consistently identified with great leaders and are regarded as important for successful business executives, senior managers, and company owners as well as leaders in other areas of life. These include:

- Awareness (of self and others for more effective leadership)

- Communication (debating, negotiating, public speaking)
- Confidence (presenting, decision making, perception)
- Innovation (creativity, being competitive in the marketplace)
- Honesty & Integrity (to earn the respect and cooperation of others)
- Management (staff management, time management, organisation)
- Relationship building (study personality types to build more effective relationships)
- Resilience (work effectively under pressure, stress management, stay healthy)

These qualities are considered important not only for business executives and managers but also for any role that requires working in a team and / or managing other people.

Students study and analyse different leadership styles and personality traits. Collaborating with others on weekly projects and real-life case studies, students develop their critical thinking skills, creativity, and communication.

EXAM COURSES

Students aged 16 and over can choose to study for the IELTS exam.

IELTS is an essential qualification for students seeking a place at a UK or English-speaking university and is used by many multi-national companies to establish applicants' level of English.

Students can also prepare for the Cambridge C1 Advanced exam.

All exam courses offer dedicated preparation and intensive exam practice instead of Core English and Learning and Innovation.

Students sit the exam at an external testing centre at the end of their course.

Academic programme

We select our teachers, coaches and facilitators very carefully to make sure that all students feel happy, engaged and energised in the lessons, as this is how they learn best. And of course, we want them to come back for more!

CLASS SIZE

The maximum class size is 14.

PLACEMENT TEST

Students are asked to complete an online grammar/vocabulary test 2-4 weeks before arrival. On arrival, they take a short speaking and writing test to confirm all aspects of their English level.

LEVELS OF ENGLISH

Seven levels of English are available from A1 (Beginners) to C2 (Proficiency), depending on the course.

TEACHING STAFF

All teachers, senior teachers and directors of studies are suitably qualified and / or experienced for the role.

TEACHING METHODOLOGY

Our teachers teach in a communicative, open and friendly way. They plan and deliver interesting lessons using relevant and current topics that encourage active and authentic participation from all students.

EVALUATION

Students' understanding and progress are monitored by the teachers during the week and every Friday, there is a short assessment to make sure students are improving. The results of this assessment are reviewed by the academic management team in case any adjustments are required for the following week.

CERTIFICATION

Students leave British Summer School with a course attendance certificate and an academic report from their Core English teacher.

- Creativity, Critical Thinking, Collaboration, Communication
- Media Literacy, Information Literacy, Information Communication Technology Literacy
- Environmental Literacy, Global Awareness, Financial Literacy, Health Literacy, Civic Literacy

Leisure programme

We know that learning happens most effectively when interactions are natural and authentic and when students are actively involved. Not only do they learn from their teachers and coaches they also learn from each other - and fast. The time our students spend on their sporting and leisure activities is just as valuable as the time spent on the more academic aspects of our courses.

SPORTS AND LEISURE

Every day after lessons, students participate in a choice of different sports and recreational activities. These sessions, which are organised and supervised by staff, enable students to continue practising their listening and speaking skills while doing something they enjoy.

Examples are:

Sports

- Athletics
- Badminton
- Basketball
- Football
- Kwik Cricket
- Rounders
- Squash
- Table Tennis
- Tennis
- Touch Rugby
- Volleyball

Recreational Activities

- Art

- Origami
- Quiz
- Party Decorations Making
- Swimming
- Table Football Tournament
- Tie-dye T-shirt Printing
- Train Set Building
- Ultimate Frisbee
- Yoga

These sessions enable students to practise their listening and speaking skills while doing something they enjoy.

Pro Options

This programme is optional and replaces the regular Sports & Leisure programme on 4 days per week. It involves 6 hours per week of professional tuition in a range of sports and is designed to increase students' skills, techniques, and knowledge of their chosen option.

These sessions are delivered by a suitably qualified coach or teacher and are available to students of all levels of proficiency.

BSS Experience – featuring True Me

Featured in every course, we provide an impressive programme of evening entertainment called BSS Experience that consists of fun and sociable challenges and events and is designed to deliver True Me.

SUNDAY BSS EXPERIENCE MISSION: INTEGRATION!	MONDAY BSS EXPERIENCE HOUSE WARMING!	TUESDAY BSS EXPERIENCE FEATURING TRUE ME	WEDNESDAY BSS EXPERIENCE FEATURING TRUE ME	THURSDAY BSS EXPERIENCE FEATURING TRUE ME	FRIDAY BSS EXPERIENCE LET'S CELEBRATE
--	---	---	---	--	--

Sunday evenings play an integral part in the BSS Experience. On the first evening of a student's arrival, it is important for them to feel welcome and relaxed as they start their summer school journey with BSS.

Through team games, icebreaker activities and fun challenges, students meet their peers, begin to build friendships, and gain an understanding of our mission - **To put the student front and centre of everything we do, help them to focus, find their flow, discover their 'True Me' and prepare them to be future ready.**

On Monday evenings, each boarding house organises a Housewarming event with fun games, helping students to build positive relationships with their peers and a strong sense of community and togetherness.

Tuesday to Thursday involves a diverse range of different team-based challenges and social events, such as:

- Disco
- Escape Room
- House Song/Dance Competition
- Murder Mystery
- Olympic Games
- Talent Show

On Friday, we celebrate! This gives students an opportunity to showcase the projects they have been working on, receive awards and achievements, and celebrate their BSS experience in a relaxed and safe environment.

“Yes, I would recommend it, because I think that the important thing is to learn English and make friends.”

Student, Summer 2023

“I think it’s a good opportunity to know people, to learn and to improve English at the same time.”

Student, Summer 2023

TRUE ME, EVALUATION & REFLECTION

On Fridays during class time, students receive some self-evaluation time, supervised by their teacher. They reflect on what they have learned about themselves, their performance and how their personal skills, social skills, self-confidence, and authenticity have improved throughout the week.

The BSS Experience featuring True Me gently and subtly encourages students to:

- Improve communication
- Improve self-confidence
- Enhance creativity
- Accept others
- Develop critical thinking skills
- Respect diversity
- Understand the importance of collaboration
- Celebrate difference
- Increase flexibility and adaptability
- Live authentically

True Me is an internal British Summer School philosophy and is reflected in everything we do.

Cultural programme

Excursions are an important and compulsory part of the programme and enable students to visit London and other places of cultural and historical interest, go to the seaside as well as provide an opportunity for recreational activities and shopping.

Following a busy week at school, weekend excursions allow students to enjoy their new friendships in a more informal, genuine and relaxed setting.

SATURDAYS

Except for Clayesmore students, these excursions are usually to London (not guaranteed) and can consist of a walking tour to see some of the famous sites and / or a visit a famous tourist attraction, depending on the schedule and time available:

Walking Tour

- Big Ben
- Buckingham Palace
- Changing of the Guard
- Covent Garden
- 10 Downing Street
- Houses of Parliament
- Oxford Street
- Piccadilly Circus
- Regents Street
- South Bank
- Trafalgar Square

Tourist Attractions

- Cutty Sark
- London Eye
- London Transport Museum
- Madame Tussaud's
- Natural History Museum
- Riverboat Cruise
- Science Museum
- Tower of London

SATURDAY INSPIRATION TRIP (ARTISTS OF THE FUTURE)

Saturdays for our Artists consist of an Inspiration Trip designed to develop their curiosity, creativity, and artistic flair. Inspiration Trip examples in Bristol include:

- Arnolfini art gallery
- Banksy walking tour
- Beacon concert hall
- Stokes Croft for street art
- Thekla – a moored cargo ship converted into a music venue
- The Old Vic - the longest continuously-running theatre in the UK
- The Tobacco Factory Theatre
- Will's Memorial Building - a beautiful Oxford-style building and the heart of Bristol University.

SUNDAYS

This excursion usually consists of a visit to a local city or seaside town:

- Explore the town / city
- Visit any local attractions
- Have a walk along the promenade
- Visit the pier
- Go to a café
- Go shopping

Excursions
allow students
to enjoy their new
friendships in a
relaxed setting.

Care of our students

At British Summer School, we place huge importance on the level of care we provide to all our students while they are away from home. We also understand that different age groups require and benefit from different levels of care and support.

SAFETY

All students receive a safety induction, relevant to their age, on the first or second day after arrival.

Most staff are residential and sleep in the same boarding houses as the students.

Every student has a House Parent, who is responsible for their wellbeing not only in the house but at all times during their stay.

The Welfare Manager is overall responsible for students' safety and wellbeing.

SUPERVISION

Students are supervised in all lessons and sports and organised leisure activities. Different supervision rules apply according to students' ages and different rules apply on different courses. On campus, students are not supervised at all times, for example during breaks and free time. Off site, some students have free time away from British Summer School staff. See Student Handbook for more details.

STAFFING RATIOS

British Summer School offers a generous staff to student ratio to ensure the safety and happiness of all students.

Our overall general ratio (staff/students) at each centre is at least 1:5.

MEDICAL

Each centre has staff who are authorised to administer basic and prescription medication to students, under the guidance of the Welfare Manager or Nurse.

FIRST AID

Each centre has a number of First Aiders who are trained to deal with accidents and medical emergencies in the first instance. Each centre is within easy reach of a hospital.

CONTACT

Parents can contact a member of the centre Management Team at any time. We have a 24-hour centre phone to facilitate this.

Different supervision rules apply according to students' ages and different rules apply on different courses.
