## Professionals of the future

Student choose two Electives and their Focus Lesson.

**Elective 1**

- Core English
- Digital Marketing
- Life Skills

**Focus Professional**

- Entrepreneurship
- International Relations
- Leadership
- Media & Communications

**Elective 2**

- Academic English
- Business English
- Learning and Innovation

**ENTREPRENEURSHIP**

These lessons cover many key business practices, fundamentals and principles essential for being a company Director or CEO such as accounting, management, finance, marketing, business law, human resources and employment law.

**INTERNATIONAL RELATIONS**

These lessons are concerned with relations across boundaries of nation-states and include the study of subjects and topics such as international political economy, global governance, intercultural relations, national and ethnic identities, foreign policy analysis, development studies, environment, international security, diplomacy, terrorism, media and social movements.

**LEADERSHIP**

These lessons are designed to develop the students' understanding of leadership qualities and skills. The course examines the characteristics which are consistently identified with great leaders and are regarded as important for successful business executives, senior managers, and company owners as well as leaders in other areas of life.

**MEDIA & COMMUNICATIONS**

These lessons are designed to prepare students for a future on this pathway. Students explore communication strategies via different mediums, media literacy and analysis, content creation, and understanding media influence in the modern world.

**EXAM COURSES**

IELTS is a useful qualification for students seeking a place at a UK or English-speaking university and is used by many multi-national companies to establish applicants' level of English.

Cambridge Assessment offers a series of globally-recognised exams that accredit students' English level for study and work.

The following exam preparation courses are available:

- IELTS
- B1 Preliminary
- B2 First
- C1 Advanced

These courses offer dedicated preparation and intensive exam practice instead of Electives 1 and 2.

Students sit the exam at an external testing centre at the end of their course.

The course focuses on developing students' understanding and practical application of professional qualities and skills to enhance future employability.
