English Plus Adventure

Subjects

Adventure

English Language

English Language Multi-Activity Camp Plus Adventure Workshops

Our English Plus course encourages students to go outside their comfort zone with an award-winning English curriculum and unique subject-specific experiences. Students will build strong English proficiency and gain a deeper understanding of a specific subject through specialised academic lessons. Student progress is tracked and assessed at the end of each course by Bucksmore Assessment, an evaluation tool developed in alignment with the Common European Framework of Reference (CEFR) scale.

Thrill-seeking students take part in adventure activities such as: sailing, indoor climbing, kayaking, mountain biking, bushcraft, and orienteering. These experiences not only offer a break from studies but also enhance focus and concentration for English lessons. Taking place in the local area, students are accompanied to the best facilities on offer in the South Coast of England.

Beyond the academic element, your child will build lasting friendships, improve their confidence, and develop key skills like problem-solving and leadership. It's a dynamic mix of learning, adventure, and personal growth in a safe and supportive environment.

For more information on this programme, please follow this link to our dedicated course page: www.bucksmore.com/summer-courses/english-courses/adventure-summer-camp-brighton/

Learning Outcomes

- Gain an introduction into adventure activities via scheduled weekly workshops
- Develop main key language skills: speaking, listening, reading and writing, as well as lexical resource, grammatical structures and pronunciation
- Build confidence in communicating in English inside and outside the classroom
- Improve exam techniques and skills through specific academic skills sessions and assessment
- Realistic determination of English ability using the bespoke Bucksmore Assessment.

What is the Bucksmore Assessment?

The Bucksmore Assessment is a final test created by our in-house academic team to motivate learners with appropriate language content, unlike exams meant for adults. Taken at the end of the course, it follows the CEFR (Common European Framework of Reference) and accurately measures English skills.

Accommodation & Facilities

You'll be staying a 10 minutes' coach ride from Brighton in the peaceful, safe surroundings of our own private boarding school campus at OIC Brighton. We think it's the best of both worlds.

For more information on this countryside campus near the sea, please follow this link our dedicated venue page: www.bucksmore.com/english-learning-locations/brighton/oic-brighton-school/

English Plus Art Exploration

Subjects

Arts

English Language

English Language Multi-Activity Camp Plus Art Workshops

Our English Plus course encourages students to explore their creative aspirations with an award-winning English curriculum and unique subject-specific experiences. Students will build strong English proficiency and gain a deeper understanding of a specific subject through specialised academic lessons. Student progress is tracked and assessed at the end of each course by Bucksmore Assessment, an evaluation tool developed in alignment with the Common European Framework of Reference (CEFR) scale.

An English Plus Arts Exploration summer camp combines language learning with creative expression. At Bucksmore, students strengthen their English while exploring a wide range of artistic disciplines, including visual arts, drama, dance, and music. This unique programme blends creative workshops with English lessons, helping students build artistic skills, confidence, and language proficiency. It's the perfect environment for young learners to express themselves both creatively and academically, and achieve their potential all within a supportive and inspiring setting.

Beyond the academic element, your child will build lasting friendships, improve their confidence, and develop key skills like problem-solving and leadership. It's a dynamic mix of learning, adventure, and personal growth in a safe and supportive environment.

For more information on this programme, please follow this link to our dedicated course page: www.bucksmore.com/summer-courses/english-courses/english-junior-plus-art-exploration/

Learning Outcomes

With a focus on the creative arts, students have the opportunity to develop their skills through practical workshops that encourage imagination, expression, and collaboration. As well as developing their creativity, confidence, coordination, language and communication skills

Each week offers a new specialism, taught by experienced practitioners, for example:

- Art – drawing, painting, sculpting, and mixed media, showcased in a final exhibition
- Dance – contemporary, hip-hop, ballet, and jazz, performed in a live showcase.
- Drama – acting, improvisation, and stagecraft, culminating in a theatre performance
- Music – instrumental skills, contemporary styles, and band collaboration, ending with a concert

English Language Multi-Activity Camp Plus Business Workshops

Develop your communication effectively with our blend of English language lessons and leadership and business workshops taking place in a high school setting. This course is designed for young, motivated students who want more than just English language tuition from their summer. Students will learn business basics, branding, marketing, and product launching through market research and dynamic workshops aimed at stimulating creativity, collaboration, and confidence.

They will work on a project throughout the week, culminating in a formal presentation. The course includes interactive sessions, engaging activities, and real-world projects, challenging students to lead, think creatively, and make informed decisions. In addition to the Business workshops the course aims to develop English language skills through a variety of engaging sessions, including academic tutorials, group projects, conversation classes, and hands-on excursions that learning outside the classroom.

Our course also builds strong interpersonal skills such as teamwork, creativity, and confidence through project-based learning and mentorship.

Student progress is tracked and assessed at the end of each course by Bucksmore Assessment, an evaluation tool developed in alignment with the Common European Framework of Reference (CEFR) scale.

Science

English Language

English Language Multi-Activity Camp Plus Science Workshops

Our English Plus course encourages students to be curious with an award-winning English curriculum and unique subject-specific experiences. Students will build strong English proficiency and gain a deeper understanding of a specific subject through specialised academic lessons. Student progress is tracked and assessed at the end of each course by Bucksmore Assessment, an evaluation tool developed in alignment with the Common European Framework of Reference (CEFR) scale.

An English Plus Science summer camp combines scientific discovery with English language learning, offering a balanced programme of Science and English instruction. At Bucksmore, students take part in workshops covering areas such as coding, robotics, forensic science, and rockets - making science both fun and accessible. This immersive experience allows students to apply their knowledge to real-world Science projects while developing critical thinking, creativity, and teamwork. Alongside technical expertise, students strengthen their communication skills in English through engaging academic lessons, collaborative projects, and cultural excursions.

Beyond the academic element, your child will build lasting friendships, improve their confidence, and develop key skills like problem-solving and leadership. It's a dynamic mix of learning, adventure, and personal growth in a safe and supportive environment.

For more information on this programme, please follow this link to our dedicated course page: www.bucksmore.com/summer-courses/english-courses/english-junior-plus-science/

Learning Outcomes

Students are introduced to Science subjects through interactive workshops delivered by expert external providers giving them a chance to experiment, innovate, and problem-solve.

Each week will have a different theme which may include topics such as:

- Robotics – build and programme machines to complete exciting challenges.
- Coding – develop programming skills and learn the logic behind technology.
- Forensics – step into the shoes of a detective with hands-on crime scene science.
- Rockets – design, build, and test rockets in thrilling engineering challenges.

The course also aims to develop English language skills through a variety of engaging sessions, including academic tutorials, group projects, conversation classes, and hands-on excursions that take learning outside the classroom.

What is the Bucksmore Assessment?

The Bucksmore Assessment is a final test created by our in-house academic team to motivate learners with appropriate language content, unlike exams meant for adults. Taken at the end of the course, it follows the CEFR (Common European Framework of Reference) and accurately measures English skills.

English Plus Multi-Sports

Subjects

Sports

English Language

English Language Multi-Activity Camp Plus Sports Workshops

Develop your skills on the pitch effectively with our blend of English language lessons and teamwork on and off the courts.

A Multi-Sports Summer Camp blends English language learning with the energy and excitement of sport. Students take part in a wide range of sessions such as, football at a professional training ground, swimming with specialist coaches, tennis at a local club, or tag rugby with a community team, ensuring there's something for everyone. These activities vary but are always delivered in authentic settings by experienced instructors, ensuring an engaging and inclusive experience.

This programme encourages fitness and wellbeing while strengthening English fluency in a practical, engaging context. Students develop teamwork, leadership, and problem-solving skills on the pitch, in the pool, and in the classroom. It's the ideal mix of language development, sport, and personal growth, all within a safe and supportive environment.

Student progress is tracked and assessed at the end of each course by Bucksmore Assessment, an evaluation tool developed in alignment with the Common European Framework of Reference (CEFR) scale.

For more information on this programme, please follow this link to our dedicated course page: www.bucksmore.com/summer-courses/english-courses/english-junior-plus-football/

Learning Outcomes

Alongside their language lessons, students take part in structured activity sessions delivered in partnership with local clubs and professional coaches. These sessions give students the chance to experience different disciplines in authentic venues.

Each week offers a varied programme, for example:

- Football at a professional training ground
- Swimming with specialist coaches at local pools
- Tennis with a local tennis society at their courts
- Tag Rugby with a community rugby club on their grounds

(Activities vary by week and location, but all are delivered in collaboration with experienced coaches and organisations.)

In addition to the activity programme, students improve their English through academic tutorials, group projects, conversation classes, and excursions that take learning beyond the classroom. They also build key life skills—confidence, creativity, and collaboration—through mentorship and project-based learning.

What is the Bucksmore Assessment?

The Bucksmore Assessment is a final test created by our in-house academic team to motivate learners with appropriate language content, unlike exams meant for adults. Taken at the end of the course, it follows the CEFR (Common European Framework of Reference) and accurately measures English skills.

English Language Multi-Activity Camp

Welcome to our most famous English summer course in the UK - Bucksmore English. Set in a beautiful countryside location, Bucksmore English aims to build strong fluency and enhance English oral and written communication skills through a fun and dynamic language curriculum. Students develop their English skills through a variety of engaging sessions, including academic tutorials, group projects, conversation classes, and hands-on excursions that take learning outside the classroom. Our course also builds strong interpersonal skills such as teamwork, creativity, and confidence through project-based learning and mentorship. Student progress is tracked and assessed at the end of each course by Bucksmore Assessment, an evaluation tool developed in alignment with the Common European Framework of Reference (CEFR) scale.

For more information on our Bucksmore English programme, please follow this link to our dedicated course page: www.bucksmore.com/summer-courses/english-courses/summer-english-courses/

Who is this course for?

- English language learners, whether they are beginners or those seeking to build confidence at a steady pace
- Students on their first trip away from home looking for a safe and secure countryside location
- Students who would like a well-balanced experience between English language learning and cultural activities and excursions

Learning Outcomes

- Develop main key language skills: speaking, listening, reading and writing, as well as lexical resource, grammatical structures and pronunciation
- Build confidence in communicating in English inside and outside the classroom
- Improve exam techniques and skills through specific academic skills sessions and assessment
- Realistic determination of English ability using the bespoke Bucksmore Assessment
