

SCHOOL

Our school is situated in the heart of downtown San Diego, where you can enjoy a variety of activities, including sports, shopping, dining, farmers markets, and festivals in what is known as America's Finest City! The popular Horton Plaza shopping mall is just a short walk from the school. We are also close to the Gaslamp Quarter and Little Italy, which is home to San Diego's most dynamic food and festival scene.

Choosing CEL ensures you the best education. In addition to being a CEA and EnglishUSA accredited school, all of our teachers at CEL are native English speakers. Our classrooms are modern, integrating technology into learning in order to connect with students of all learning styles. CEL also provides free Wi-Fi and air conditioning in each classroom.

TEEN COURSE - GENERAL ENGLISH

The CEL Teen Camps gives you an opportunity to discover the beauty of living in the USA while meeting other students from around the world. CEL Teen Camps provides English language instruction that has been designed specifically for young learners of all levels between the ages of 14-18, from Basic to Advanced English. Students will have 20 lessons per week, 4 lessons per weekday. You will learn all aspects of English including speaking, listening, vocabulary, grammar, and writing.

FUTURE GLOBAL LEADERS

The Future Global Leaders Program gives learners the opportunity to develop further soft skills while using English as a language of communication in a cross-cultural environment. Through debates, presentations and case studies the learners are going to reinforce public speaking techniques, learn to be persuasive in sales situations and to acquire a general business knowledge while enhancing intercultural values, respect and teamwork.

This program is directed to students with a minimum level of upper-intermediate (B2) who are willing to improve their speaking skills in English in a multicultural and project based learning setting.

ACCOMMODATION

As a student in the program, you will stay with one of our wonderful host families! Staying with families helps encourage you to speak English daily outside of the classroom as well as build life-long relationships with them. Our host families are carefully selected and personally interviewed before being permitted to host one of our students.

All CEL homestays include a shared room accommodation with breakfast and dinner (plus lunch on Sundays), free wifi, towel and linens. Most CEL students take full advantage of San Diego's great public transportation system. All the families are an average of 45 minutes (max. 75 minutes) away from the school using the city bus or trolley.

You can also choose to stay in a single room accommodation as well. Single room accommodations are perfect for the student that would like more room or privacy.

LUNCH

CEL provides lunch from Monday to Friday at school. You will enjoy a variety of delicious meals with your friends and classmates before you head off to an exciting afternoon activity.

AIRPORT TRANSFER

CEL can arrange airport transfers for your arrival and departure to and from your host family. Whether you fly into San Diego International Airport or LAX, CEL will make the pick up arrangements for you! A driver will pick you up from the airport and drop you off at your host family and/or drop you off at the airport from your families home.

ACTIVITIES & EXCURSIONS

CEL knows that part of your learning happens outside the classroom, so CEL plans and arranges a fun and exciting activity program including excursions outside of San Diego for you! From local hotspots to California's best cities, you will be able to enjoy visiting all of what Southern California has to offer with your new friends and classmates! CEL makes sure you get the best experience possible while you are studying in the US.

CEL has some great activities for you to do during the week so that you can bond with your fellow classmates while experiencing all San Diego has to offer. Enjoy the San Diego sun, playing games such as flag football and baseball! Or cheer for the local Major League baseball team The Padres at Petco Park! Our Activities Department has a variety of activities that our students find fun and exciting planned for you!
