## FRENCH COURSE FOR ADULTS

### How to promote language course...

#### STANDARD COURSE

Our French courses offer teaching aimed at improving or instilling for beginners their general written, oral, and comprehensions skills. Our classes provide a friendly and dynamic atmosphere where you will easily get to know other students and interact with them during class in French.

You will work on the acquisition of French through a combination of grammar essential to your level and learn how to express yourself both orally and through writing.

Situational and role play simulations are used to enhance the acquisition of fundamental skills in a dynamic setting. Diversified educational materials (images, videos, and articles), created or chosen by our academic team, will allow you to participate in a dynamic learning environment.
