

# SUMMER ADVENTURE SCHOOL 2026

CAMP 1

**Monday 6<sup>th</sup> July - Saturday 18<sup>th</sup> July**

CAMP 2

**Saturday 1<sup>st</sup> August - Friday 14<sup>th</sup> August**

**AGES**  
10-12  
AND 13-16

**Christ College Brecon, founded in 1541, is one of the oldest schools in Wales.**

**Situated in the heart of the Brecon Beacons National Park, the school has a wealth of experience in hosting students and running a summer camp of activities in a beautiful, safe and secure environment.**

Our Summer Adventure School is the perfect opportunity for young people aged 10-16 to take on a great adventure away from home during a long summer break, whilst learning English. We offer an exciting range of group adventure and sporting activities in the mountains, rivers and woodlands of the Brecon Beacons and the incredible Gower coastline.

Activities are gently challenging and aimed at encouraging teamwork and having fun. If you are looking for your children to enjoy some quality time outdoors in a beautiful English learning environment with other young people, then our Summer Adventure School is the choice for you.

**We are very experienced in hosting international students and this is the perfect place to learn English, have an adventure and make new friends.**

**Our Summer Adventure School offers an exciting range of group adventure and sporting activities in the mountains, rivers and woodlands of the Brecon Beacons and the incredible Gower coastline.**

Our Summer Adventure School gives girls and boys aged 10 to 16 the opportunity to experience life in a foreign country where they can learn or improve their English and also take part in a wide range of adventure, sporting, and cultural activities.

## Activity Overview

Your children will enjoy a mix of exhilarating adventure days in the Brecon Beacons and along the Welsh coast over their two weeks, including:

### High Ropes Course

Unleash your inner Tarzan with our high-level ropes and zip wire course. Equipped with a safety harness and climbing helmet, camp-goers will attempt several rope challenges starting from ground level up to 30ft high, including the balance log, trapeze bar and cow tails. Next, check out the range of routes on the climbing wall and learn how to abseil. Will you attempt the vertical take off? Students will then swing to the finish line with an 80 metre zip wire.

### surfing & Coasteering

Get stuck into the sea and surf of the Gower coastline and learn from our experts how to stand on a surfboard and ride the waves, or take on the thrill of coasteering as you scramble, jump, and swim your way along the rugged Welsh shore — all while soaking up the beauty of this spectacular coastal landscape. (Ages 10–12 take to the waves; 13–16 tackle the cliffs).

### Assault Course

Fancy getting really, really muddy? It's your chance to take on the Muddiest Assault Course in the World! In most sports, mud is a problem, but for this assault course it's essential! The obstacle course is set in and around the trees and natural springs in ancient woodland. You have to climb over things, jump across things and... crawl through mud. It's brilliant – everybody who tries it loves it.

### Karting

To get adrenaline pumping, we'll be going on a trip to Newport's number one indoor go-karting centre where your child will enjoy racing on the largest and fastest track in Wales. (Ages 13-16 only).

## Paddleboarding & Canoeing

Take to the water for a day of paddle boarding and open canoeing. Younger students will enjoy learning new skills and playing games on calm waters along the promenade or canal, while older students set out on a scenic trip on the river Wye - a perfect adventure through the heart of the Welsh countryside.

## Alpaca Walking

Set off on a unique outdoor adventure through the heart of the Brecon

Beacons National Park, walking side by side with your very own alpaca. Enjoy the peaceful scenery as you lead, walk, and get to know your furry friend - then finish by hand-feeding them a well-earned treat. (Ages 10-12 only).

## Gorge Walking

A firm favourite amongst our camp-goers, this immensely popular activity includes jumps, slides, swims and an array of challenges. Wearing wetsuits, buoyancy aids and a water helmet, your child will follow an instructor to embark on a journey, heading upstream of the river, exploring behind waterfalls, jumping off ledges and landing safely into deep pools.

The adventure activities are all led by suitably qualified adventure specialists and the activities are designed for each age group to be challenging but always safe.

## Personal Development Day

Each week features a Personal Development Day, providing students with a well-earned break from outdoor adventure and the opportunity to enjoy a selection of short sessions and activities of a similar nature to those listed below.

### Bushcraft

Your child will explore the natural world and learn how to safely identify and gather plants in our fun and hands-on foraging session. Children will also learn the skill of fire making using safe, age-appropriate techniques. Taught by outdoor experts, this session builds confidence, teamwork, and a deeper respect for nature.

### Music Making

In this exciting class, your child will learn and create their own music. Regardless of their experience, any age and level of ability are welcome to come along and explore their musical talent.

### Self Defence

In a supportive and empowering environment, your child will learn practical self-defence skills to help build confidence and awareness. With experienced instructors, they'll practice techniques to stay safe and feel strong.

### Martial Arts

Through movement, discipline, and fun, your child will be introduced to the basics of martial arts. They'll build fitness, focus, and respect while learning exciting techniques in a positive and energetic space.

## Cartoon Illustration

Your child can become the next best storyteller in our cartoon illustration workshop. They will learn the art of cartoon illustration and recreate their favourite characters in their very own story that they can take home and enjoy.

## Photography

This workshop will provide a chance to step behind the lens to discover the basics of photography - framing, lighting, and storytelling through pictures.

## Art Workshop

Your child will learn various art techniques based in our lovely art studios, with local art teachers. The session will provide a creative outlet to unleash their inner artist, working towards their very own masterpiece to show off at home.

Our leaders will be with  
you every step of the way!

## Sport & Games

Back by popular demand, we will be hosting a wide range of sports. Our trained coaches will be leading collaborative team-based games in traditional sports including football, cricket, tennis, swimming, volleyball, and rounders, alongside fun team challenges such as dodgeball, and capture the flag, to bring the campers together.

## Recreational Activities

Despite busy and action-packed days, your child will enjoy free time to relax in the grounds or the boarding house with supervision at all times. There will also be a full programme of fun evening activities to bring everyone together and round off each day.

The excellent facilities offered in the grounds of Christ College include extensive sports fields, a heated swimming pool, a sports hall, tennis and squash courts, an all-weather sports pitch, and a performance hall. All activities take place in the highest quality facilities to ensure a safe and enjoyable experience for all.

It doesn't end there! We host a range of fun social events including campfires, team challenges, treasure hunts, quizzes, and an end of camp party for our campers to let loose, relax, and get to know their campmates.

Campfires are a popular activity. We take the opportunity on some evenings to sing some songs in the woodlands of the school site, creating a fun and welcoming environment for our camp-goers to come together.

## Excursions

While we will be showing our students the beauty of the Welsh countryside, we will also be embarking on some exciting and educational cultural excursions. These include a trip to Cardiff, capital city of Wales, to explore Cardiff Castle and Cardiff Bay, and a journey 300 feet underground with a real miner to see what life was like for the thousands of men who worked at the coal face at the Big Pit.

## EXAMPLE SCHEDULE

WEEK ONE						
Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday
ARRIVAL	TOURING	ADVENTURE	ADVENTURE	PERSONAL DEVELOPMENT	ADVENTURE	SPORTS
Arrival to Airport and travel to CCB	Tour of Brecon and Welcome to Camp	English Tuition				
		Assault Course	High Ropes	Art/ Bushcraft/ Cartoon/ Self Defence	SUP Canoeing	Sports Day
		English Tuition				
		Evening Social Schedule and Programme of Activities				

WEEK TWO						
Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday
EXCURSION	EXCURSION	ADVENTURE	ADVENTURE	PERSONAL DEVELOPMENT	ADVENTURE	SPORTS
Day Trip to Cardiff	Big Pit Trip & Welcome to Camp 2	English Tuition

		English Tuition				
		Evening Social Schedule and Programme of Activities				

Students will stay in comfortable boarding houses, each with their own common areas for relaxation and socialising.

## ENGLISH TUITION OPTIONS

Formal English language tuition will take place in small classes, with children being grouped according to ability. English language tuition will focus on teaching students to express their thoughts and ideas in English and to respond to English speakers, building their confidence in the language. Both written and oral proficiency will be targeted to ensure maximum immersion is accomplished, with 20 hours of English tuition over the course of the camp.

Students will be immersed daily in the English language as English will be spoken by all camp participants and teachers at all times, increasing their confidence and comfort in English communication.

## ACCOMMODATION & PASTORAL CARE

Our aim is for everyone to enjoy a fantastic summer experience safely in a warm and caring environment. Students will stay in comfortable boarding houses, each with their own common areas for relaxation and socialising. They will be expertly looked after by our trained male and female Team Leaders as well as resident House Leaders.

Each student will be assigned to a Team Leader who will be responsible for the student's wellbeing during the camp and be a friendly face to mentor them.

## MEALS

All food preferences will be catered for through a diverse range of well-balanced British and international cuisine, all of which will be served in our historic dining hall.

There will also be a full programme of fun evening activities to bring everyone together and round off each day.

## FAQs

### **Do the fees for the Summer Adventure School cover everything?**

Fees for the Summer Adventure School cover all accommodation, meals, activities, excursions, and transport to and from London Heathrow Airport. A little spending money for shopping on days out or small treats is advised.

### **Who is the Summer Adventure School suited to?**

The Summer Adventure School is suited to any young person aged 10-16 who loves sport and adventure, making new friends, experiencing a new culture, and wants to improve their English.

### **Are the adventure activities dangerous?**

No. Ensuring safety during our activities is our number one priority. The adventure activities are all led by suitably qualified adventure specialists and the activities are designed for each age group to be challenging but always safe. Children are gently encouraged to take part in all activities but may opt out if they desire.

### **What do I need to pack?**

A kit list will be provided for each camp. This will be sent to parents once they have booked and all details are confirmed.

### **Will students have access to their mobile phone/device?**

Most of the time children will be kept away from screens but there will be times in the day when everyone will have access to their phones/devices to contact home or friends.

### **Are there single rooms available?**

Some single rooms are available on a first come first served basis, however, most children will be sharing dormitories. The majority of our camp-goers enjoy sharing a room and form positive friendships with their roommates. We have a wide range of comfortable double, triple, and multi-bed rooms.

### **Can I contact my child at any time?**

All parents will be given the number for the camp phone and may phone if necessary at any time.

### **How do we keep in touch with the everyday schedule?**

Photos of the children enjoying and taking part in each of the activities will be posted daily on a dedicated Instagram account. Parents will be given the address of this account once it is live so that they can follow the camp's schedule.

### **If I come with a friend, can we stay in the same dormitory together?**

Yes, absolutely! If friends come together in a group and would like to share a room, please let us know, and we shall do our best to ensure this request is accommodated.

"The activities were fun because we were in groups and with lots of people. I wouldn't do such adventurous stuff by myself."

## PARTICIPANT FEEDBACK

"It was an opportunity to participate in a sport I never would have thought I would have liked"

"The campfire, eating marshmallows, singing and dancing was the best part"

"First time surfing, rock climbing, caving and doing archery. Great challenge and I loved them all"

"It was very fun and an unforgettable experience for me"

""Fun, engaging, and an enjoyable break from normal life"

"Great experience to meet new people and have fun"

"Fun talking with UK students"

"I enjoyed challenging myself to try new things"

"That was the best two weeks ever"

"I want to share this summer camp with Japanese friends"

"I did something I've never experienced before"

"I felt a sense of accomplishment"
