Global Education Tumulka

The Ultimate Summer *Experience*

Find your spark

Since 2008, over 20,000 students from 155 countries have chosen Summer Boarding Courses for a summer like no other.

Set within the world's most iconic British institutions known for excellence – including the historic colleges of Oxford and Eton – our immersive programmes offer far more than just education. They are designed to spark curiosity, strengthen confidence, and help young people connect with peers from around the world, skills needed to thrive in a global future.

From Entrepreneurship and Art to Leadership, STEM and beyond, every SBC course brings together academic challenge, cultural discovery and transformational personal development – all within a safe, inclusive, and truly global community.

Be part of the UK's number one multi-campus summer school and discover why we're trusted by families worldwide!

I am ready for my future

"After a summer with SBC I feel a lot different. When I came here I wasn't quite sure what I wanted to do with my future...by experiencing all of these subjects I've got a better picture of what I want to do now. I am ready for my future.

JASPER, GERMANY - STUDENT 

◆ A perfect choice for families visiting the UK together, with children returning home at the end of each exciting day.

Memories

That Will Last a Lifetime

Young Explorers

Ages 8–12

Our Explorer Programmes offer immersive and collaborative learning experiences, where children build language skills and make friends from around the world – all within a safe and supportive environment.

Take their first steps towards independence on our residential camps, every moment is designed to build confidence and create memories that last a lifetime.

Each daily theme follows **four dynamic stages**:

Discover – Dive into exciting themes like Ancient Civilisations, Space Exploration, or Eco-Innovators.

Develop – Build new skills through team activities, puzzles, and investigations.

Dare – Take on fun, surprise challenges that encourage problem-solving and bravery.

Showtime – Present what you've learned in creative performances, exhibitions, or games.
