FRYEBURG ACADEMY

## Maine Summer Camp Adventure + New England Boarding School Life

Join us at Fryeburg Academy Summer Term 2026, where learning meets exploration and fun. Our unique program blends the academic excellence of a New England boarding school with the unforgettable adventures of a classic Maine summer camp. With the guidance of experienced and caring educators, participants from around the globe immerse themselves in a diverse mix of morning classes, engaging afternoon activities, exciting outdoor adventures, and trips to iconic destinations such as Boston, Mount Washington, and Portland. In a warm and inclusive environment, students discover their passions, form new friendships, and create lifelong memories.

As part of a weekend trip to the beautiful and historic city of Boston, Summer Term students tour MIT and Harvard University campuses.

## Academics: Morning Classes

Fryeburg Academy's Summer Term offers a diverse, intensive and engaging academic experience. Students take two courses during the first half of the program, followed by two different courses in the second half.

### SAMPLE COURSE OFFERINGS:

- Art
- Business
- Fitness
- Photography
- Theater
- Ceramics
- Intro to Sociology
- Journalism
- Sports Medicine
- Food Science
- STEM Ecology
- Boarding School 101
- Social Media
- Academic English/ESL
- Lab Science

*Please note that course offerings are subject to change. The final list of courses for 2026 will be shared with Summer Term students in late spring.*

Summer Term courses offer various academic and extracurricular opportunities to explore students' interests.

The picturesque view atop Jockey Cap is a local favorite and is located within a short walk from the Academy.

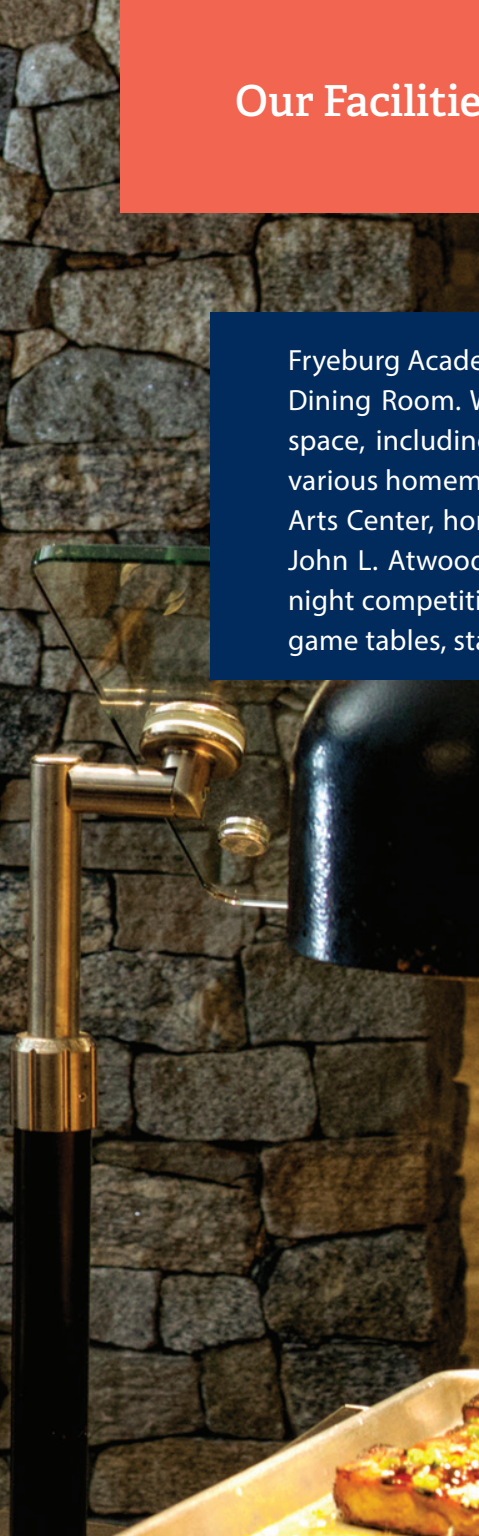

Our skillful chefs and kitchen staff offer diverse meal options that include students' national foods from many different countries.

## Our Facilities

Fryeburg Academy's campus houses historic and state-of-the-art buildings like the LaCasce Dining Room. With its 342-seating capacity, the facility offers an expansive menu and dining space, including a large, self-serve salad bar, sandwich station, brick-oven pizza station, and various homemade desserts. Other notable facilities include the Leura Hill Eastman Performing Arts Center, home to a variety of professional and student performances and art galleries; the John L. Atwood Stadium, which offers a modern, synthetic turf field and exterior lighting for night competitions; and the popular T. Scott Gamwell Student Union, which houses a fireplace, game tables, stage, and student kitchen.
