

friLingue Winter Camps

Braunwald, Switzerland

Welcome to our presentation on our winter camps at Braunwald!

We are excited to share our unique camps in an exceptional alpine location.

friLingue

The friLingue Experience

Personalized Language Learning

Small groups and great teachers ensure focused, informal language lessons.

Fun Activities

Engaging evening programs designed for interaction among kids.

Safe, Scenic Location

Stunning Swiss village with high safety standards.

Multicultural Environment

Swiss and international participants together create a natural setting for cultural exchange. By the end of the season, aprox. half of our participants are Swiss.

Friendly, Dynamic Staff

Multinational, creative and fun staff members foster a welcoming and motivating camp experience.

Tasty Meals

In-house cooks cater to various dietary needs with delicious food.

Important Information for Parents

Dedicated Parents' Webpage

A central hub for all camp details: addresses, camp leader contacts, activity schedules, packing lists, FAQs, etc.

Action Required: Parents should electronically sign the camp contract and upload essential documents like the child's passport, health information, insurance card, and any allergy details.

Exclusive WhatsApp Group

Parents can join our Parents' WhatsApp Group to receive daily photo updates and information from our staff about their child's camp activities and experiences.

Cell Phone Policy

To encourage interaction and immersion, cell phone use is restricted during scheduled program hours.

Campers may access their phones before or after dinner, during excursions, and ski/snowboard lessons.

Direct contact with the Camp Leader

Parents and agents will receive the phone number and WhatsApp contact of the Camp Leader for any emergencies. Likewise, the Camp Leader will have the emergency contact details of all parents or guardians.

Welcome to Braunwald!

Camp location

Located in a small ski resort village called Braunwald, about 1.5 hours from Zurich and at 1,300 meters above sea level.

Swiss Alps experience

Nestled in the stunning Swiss Alps with a beautiful view of the Tödi, the region offers breathtaking mountain scenery.

Car-free village

Easily accessible by funicular from the valley below, it's a hidden gem perfect for nature lovers.

Accommodation

Warm Atmosphere

Unique experience:
"Feels like a friend's home with many international families together."

Co-living Style Accommodation

Great location with walking distance to the gondolas that take the kids to the slopes.

Room Options

Choose from single, double, or 4-6 bed rooms, and dorms with 8 to 12 beds.

Camp Facilities

Living room, three terraces, dining room, game room, and a space for our workshops.

friLingue

Math Camp

Same program as Ski & Snowboard, but instead of afternoon language lessons, kids will have math classes.

These lessons are designed not only to help them review what they've learned at school, prepare for exams, or overcome specific difficulties, but also to encourage them to enjoy learning math. Just like with our language classes, our goal is to make studying math engaging and rewarding, so that children gain confidence and develop a genuine interest in the subject.

12 hours of math classes per week (four times per week).

Ages 10-15

Math classes are conducted in German or English. No language lessons are provided.

Average of 8 kids per class.
