Founded in 1978. Today UNOSEL has a membership of sixty-two organisers of educational and language stays. Its aim is to promote and inform the public of the professionalism of its members, to develop consumer confidence by giving them genuine guarantees of service, and to keep its members abreast of new developments in the language learning business. The commitment of UNOSEL's members is embodied in a European Standard on language tours, and the UNOSEL quality charter. Visit www.unosel.org

National Union of Educational, Linguistic and Language Training Stay Organisations

HLI is accredited by the Accreditation Service for International Schools, Colleges and Universities (ASIC). HLI has earned Premier status with ASIC for its commendable areas of operation. ASIC accreditation helps students and parents make a more informed choice and will also help a school, college, university, training provider or distance education provider demonstrate to the international student body that they are a high quality institution. HLI chose ASIC because it is the largest and only truly international accreditation body enabling students to obtain visas for the UK and other countries. ASIC recognises universities and schools worldwide and is by far the largest and most important accreditation body. Visit www.asic.org.uk

The full-immersion advantage

The most common criticism of language schools is that students speak their own language when not in class, this weakness is completely eliminated with HLI's method because you are the only student. You live and study in your own private teacher's house, share 3 meals a day, receive one-to-one personalised language lessons, and then continue to use the language during the rest of your stay as you share the daily life of your teacher and their family. Mealtime conversation, visits, and social contacts all take place in the language you are studying so you never stop learning!

Living with your teacher means that you have the opportunity to speak the language before, during and after your lessons for a true full-immersion experience. Your learning is constant and your progress is rapid.

Home Language International (HLI)

Is a family business offering full-immersion language courses in 20 languages in over 30 countries worldwide. After over 40 years of welcoming thousands of students each year we have the experience needed to devise a course to suit your personal needs.

Ian Josephs M.A. (Hons) (Oxford) originated the idea of living in the teacher's home in 1979 and was the first to offer this service.

Private language lessons

Your teacher prepares the course for you alone. The lessons are completely personalised so your teacher will focus exactly on your needs and objectives. You can choose 10h (combined with activities or cultural excursions), 15h, 20h, 25h or 30h per week of one-to-one lessons and stay the number of weeks you wish. Whether you are a complete beginner or highly advanced, the lessons are adapted to your level and your requirements.

Our host teachers

All of our teachers have either a recognised teaching certificate and/or a university degree (or equivalent). They have been visited by our Local Organisers which means that their qualifications have been verified and their homes thoroughly inspected. We have more than 2,000 experienced teachers worldwide. Special attention is given to match your interests with those of the host family.

Our Local Organisers

Every destination we offer is supervised by a resident Local Organiser whose job is to monitor the progress of each student and to make sure their experience with us is both enjoyable and successful. A phone call to our Local Organiser brings an immediate response and expert help and advice are given readily for even the smallest problem.

Adults & professionals

Our Classic programme is perfectly suited for adults and professionals looking for a fast and efficient way of learning a language in a comfortable and welcoming environment. Whether you wish to improve your fluency or learn a new language, our programmes are adapted to your needs. Some of our teachers have knowledge of subjects such as business, computing, engineering, tourism, etc. They are able to offer specialised courses using the vocabulary of these subjects on request.

Children & teenagers

Children and teenagers are placed with carefully selected friendly host families who are experienced in teaching young students. Our programmes with activities, sports, cultural excursions, and farmstays are highly popular with teenagers and children who can learn whilst having fun. We also offer a "cocooning" (closer supervision) option specially designed for up to 12 year olds, and students who are scared of leaving home for the first time can choose to share with a friend or parent.

The HLI textbook is available on request free of charge to all students taking courses in the UK or Ireland. Please write to us after you have completed your course and we will send it directly to your home.

5 Star exclusive

Double the published rates

Speak to your business associates in their own language and you will gain their immediate respect. Senior executives may hesitate before travelling abroad to learn a language because the average family accepting students in their home does not live at the standard to which an executive is accustomed. We have therefore selected our most exclusive families who host for the love of teaching and the pleasure of meeting people from different international backgrounds. They will offer you extra comfort including a private bathroom and tailor-made lessons and activities for a truly memorable experience.

Extra nights

Extra nights without lessons can be arranged to allow for flight schedules. Please note that from 4 extra nights onwards a full week is charged. See individual destinations for prices.

Boarding

For university students or children/teens in boarding school who are looking for a place to stay during half term. Our host families welcome long-term guests on a full board basis, provide a private bedroom with a study and can prepare students for their exams (IGCSE/GCSE/A levels/BA/MA...etc). Pick up and drop off can be organised from school. Please contact us for a quote.

HLI Click

Choose your own host family! We have selected host families with whom you can get in touch directly before you book your course to make sure that your personal relationship is good and that the hospitality will be everything you are looking for. This is a unique opportunity offered by HLI. Visit our website: www.hli.co.uk to see our selected families.

Transfers

We can arrange transfers from the nearest airport, station or seaport to your host family. Transfers are taken care of by the host family, the Local Organiser or a private driver (usually by car, occasionally by public transport). Please contact us for a quote if your transfer destination is not listed. If you do not arrive at the airport/port/station indicated on your family profile or if you arrive/leave the host family before 8am or after 8pm charges will be increased. A supplement may be charged for late arrival and UM service (unaccompanied minors) if there is a lot of waiting time. Transfers are usually individual but can in rare cases be shared with other students.

Students aged 15 and under MUST take 2-way transfers unless we are notified that they are accompanied by their parents.

A mobile phone number is required for all students who book transfers.

See pages 60-61 for airports and prices.

Atypical **NEW!**

Are you looking for an atypical experience? We can offer unique accommodation around the world (Trullo house, Art-Nouveau villa, mountain chalet, Watermill, waterfront home, etc.) or outside the box activities (organic cooking, nordic skiing, boat trips, meditation, French gastronomy, etc.). Some of our host teachers live in extraordinary places and can offer students an unconventional immersion. Limited availability. Contact us for more information.

Advice for your stay

Activities

We strongly recommend that all students, especially the younger ones, book activities as these allow them to practise what has been studied during the lessons and work on conversational skills while enjoying themselves. Keeping the younger students occupied contributes to making the stay successful.

Your host family

We recommend that you contact your host family by phone or email at least one week before your arrival. Our host families would like to learn more about you, your food preferences, language level and what you are expecting from your course. This will help them prepare better for your stay. Families in a foreign country may not have the same way of living as you. You should be ready to accept different rules, food and cultural differences in order to get the most out of your stay.

Smoking

In many countries you cannot smoke in public areas. Very often, our host families do not allow smoking in the house. If there are smokers in the host family they will often smoke outside or in a specific area in the house. When you book please tell us if you prefer a non-smoking family.

Smartphones, tablets, etc.

We advise parents to ask their children to limit the use of smartphones, laptops or tablets since frequent communication with friends and family in their mother tongue will affect their full-immersion experience.

Spending money

We recommend you bring at least £65, €85 or US\$85 spending money per week.

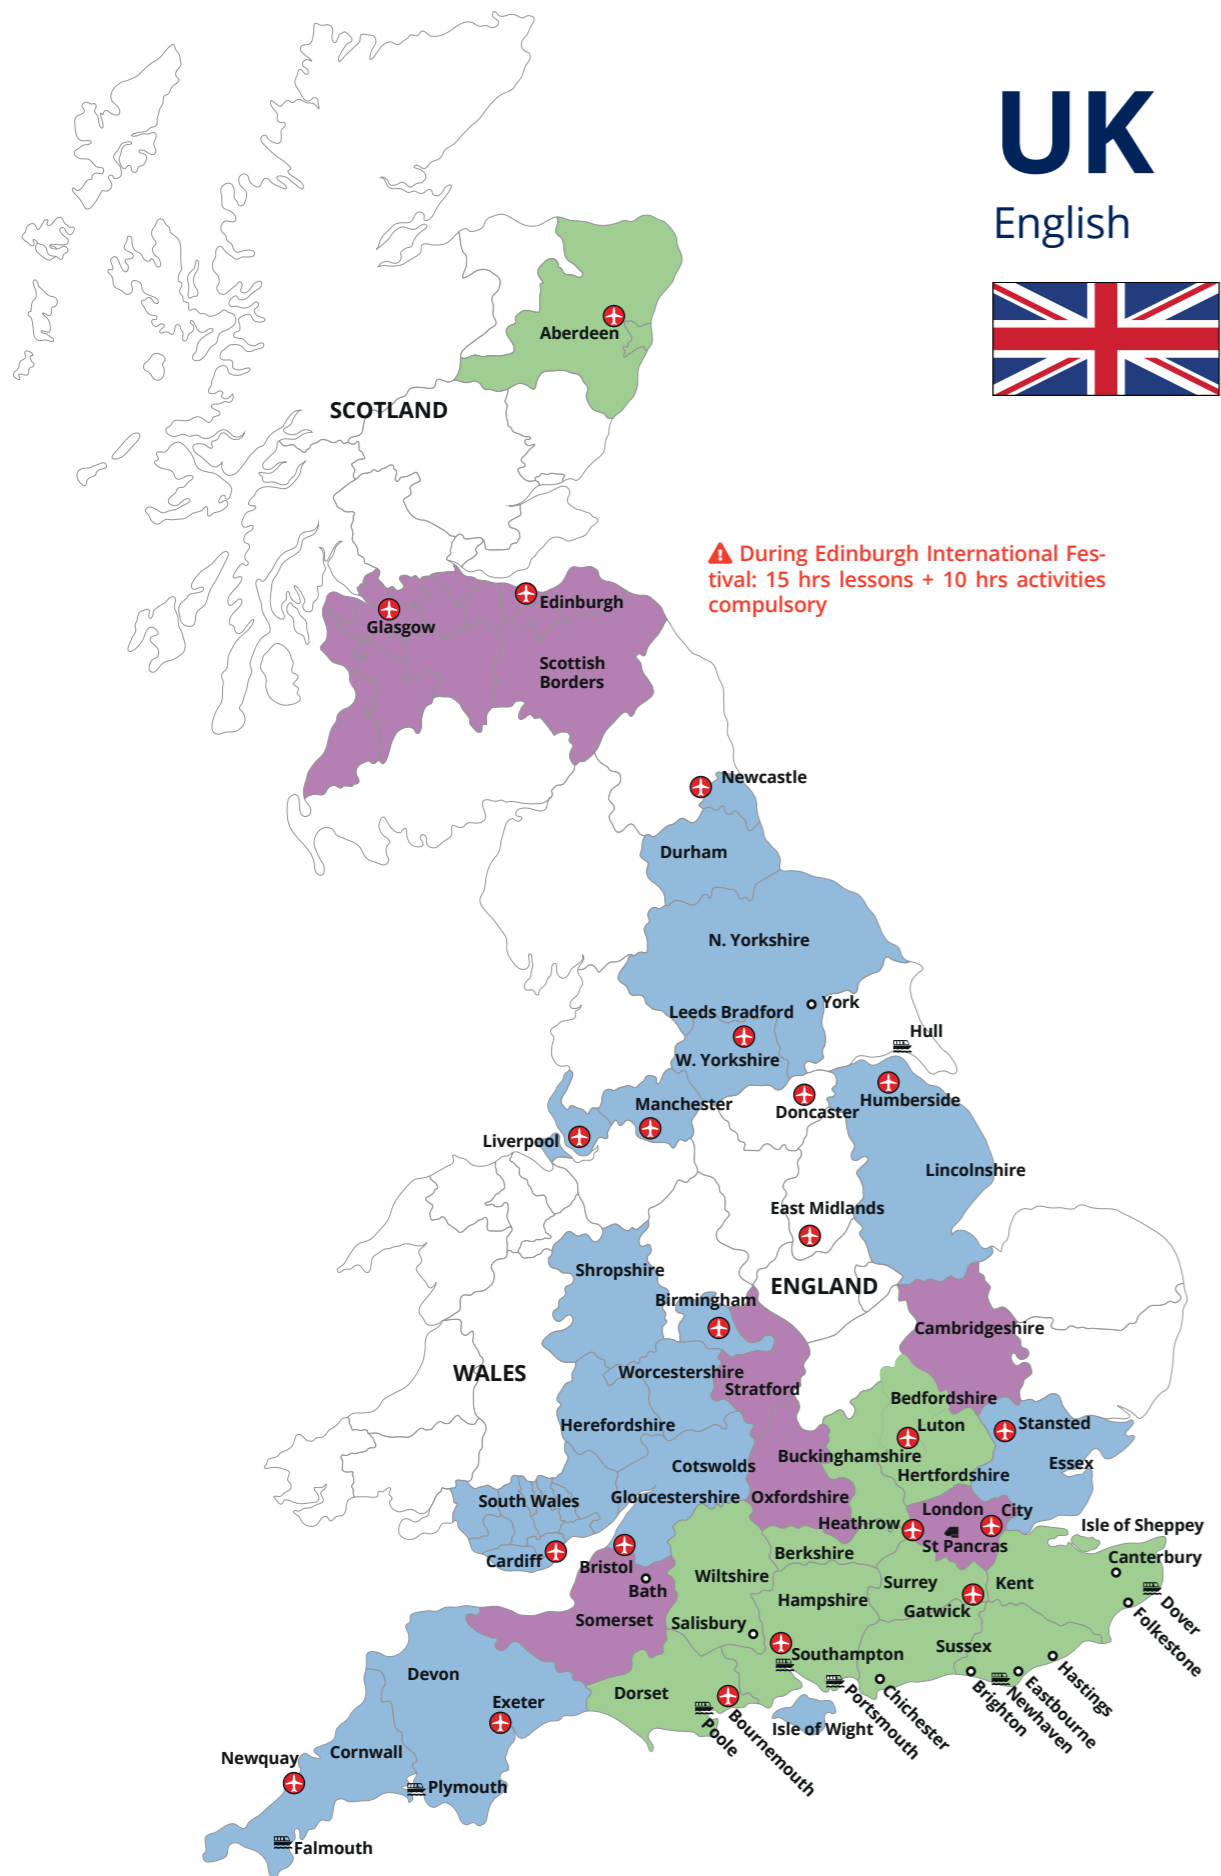

Insurance

EU students travelling to an EU country are advised to get the European Health Insurance Card. All students are advised to have personal insurance to cover any cancellation, loss of property, etc.
