# TESTIMONIALS

Moritz had an absolutely wonderful time and came home full of excitement and joy. Ever since, he hasn't stopped talking about the great experiences he had, the interesting activities, and the amazing people he met. Thank you once again for giving Moritz such a special experience — this memory will certainly stay with him for the rest of his life!

**Birgit – Austria**

Hurtwood summer school has taught me so much and I met friends for life

**Emma – Germany**

Blanca came back very happy and full of enthusiasm about the wonderful experience she had — though also quite sad, as she didn't want to come home! That, to me, speaks volumes about how welcome and comfortable she felt at Hurtwood

**Patricia – Spain**

Hurtwood House not only improved my English massively, it was the most valuable experience of my life

**Adriana – Spain**

I stayed three weeks and wish I had stayed for longer. I can't wait to come back.

**Angelo – Italy**

Thank you for giving my daughter such an exciting and extraordinary two week holiday at Hurtwood. She enjoyed every single moment and got so many varied experiences!

**Olga – Russia**

Hurtwood gave me memories I will never forget! I want to come back every year

**Ayan – Romania**

Both children came home beaming, filled with stories, new friendships, and lasting impressions supported by pictures showing them during different activities. They felt cared for, seen, and part of something vibrant and special. The warm atmosphere, the loving attention from all the staff, the inspiring afternoon activities, and the delicious meals — all contributed to an experience they will never forget. They said 'it was the best time of my life'. We couldn't be more thankful.

**Lily – Germany**

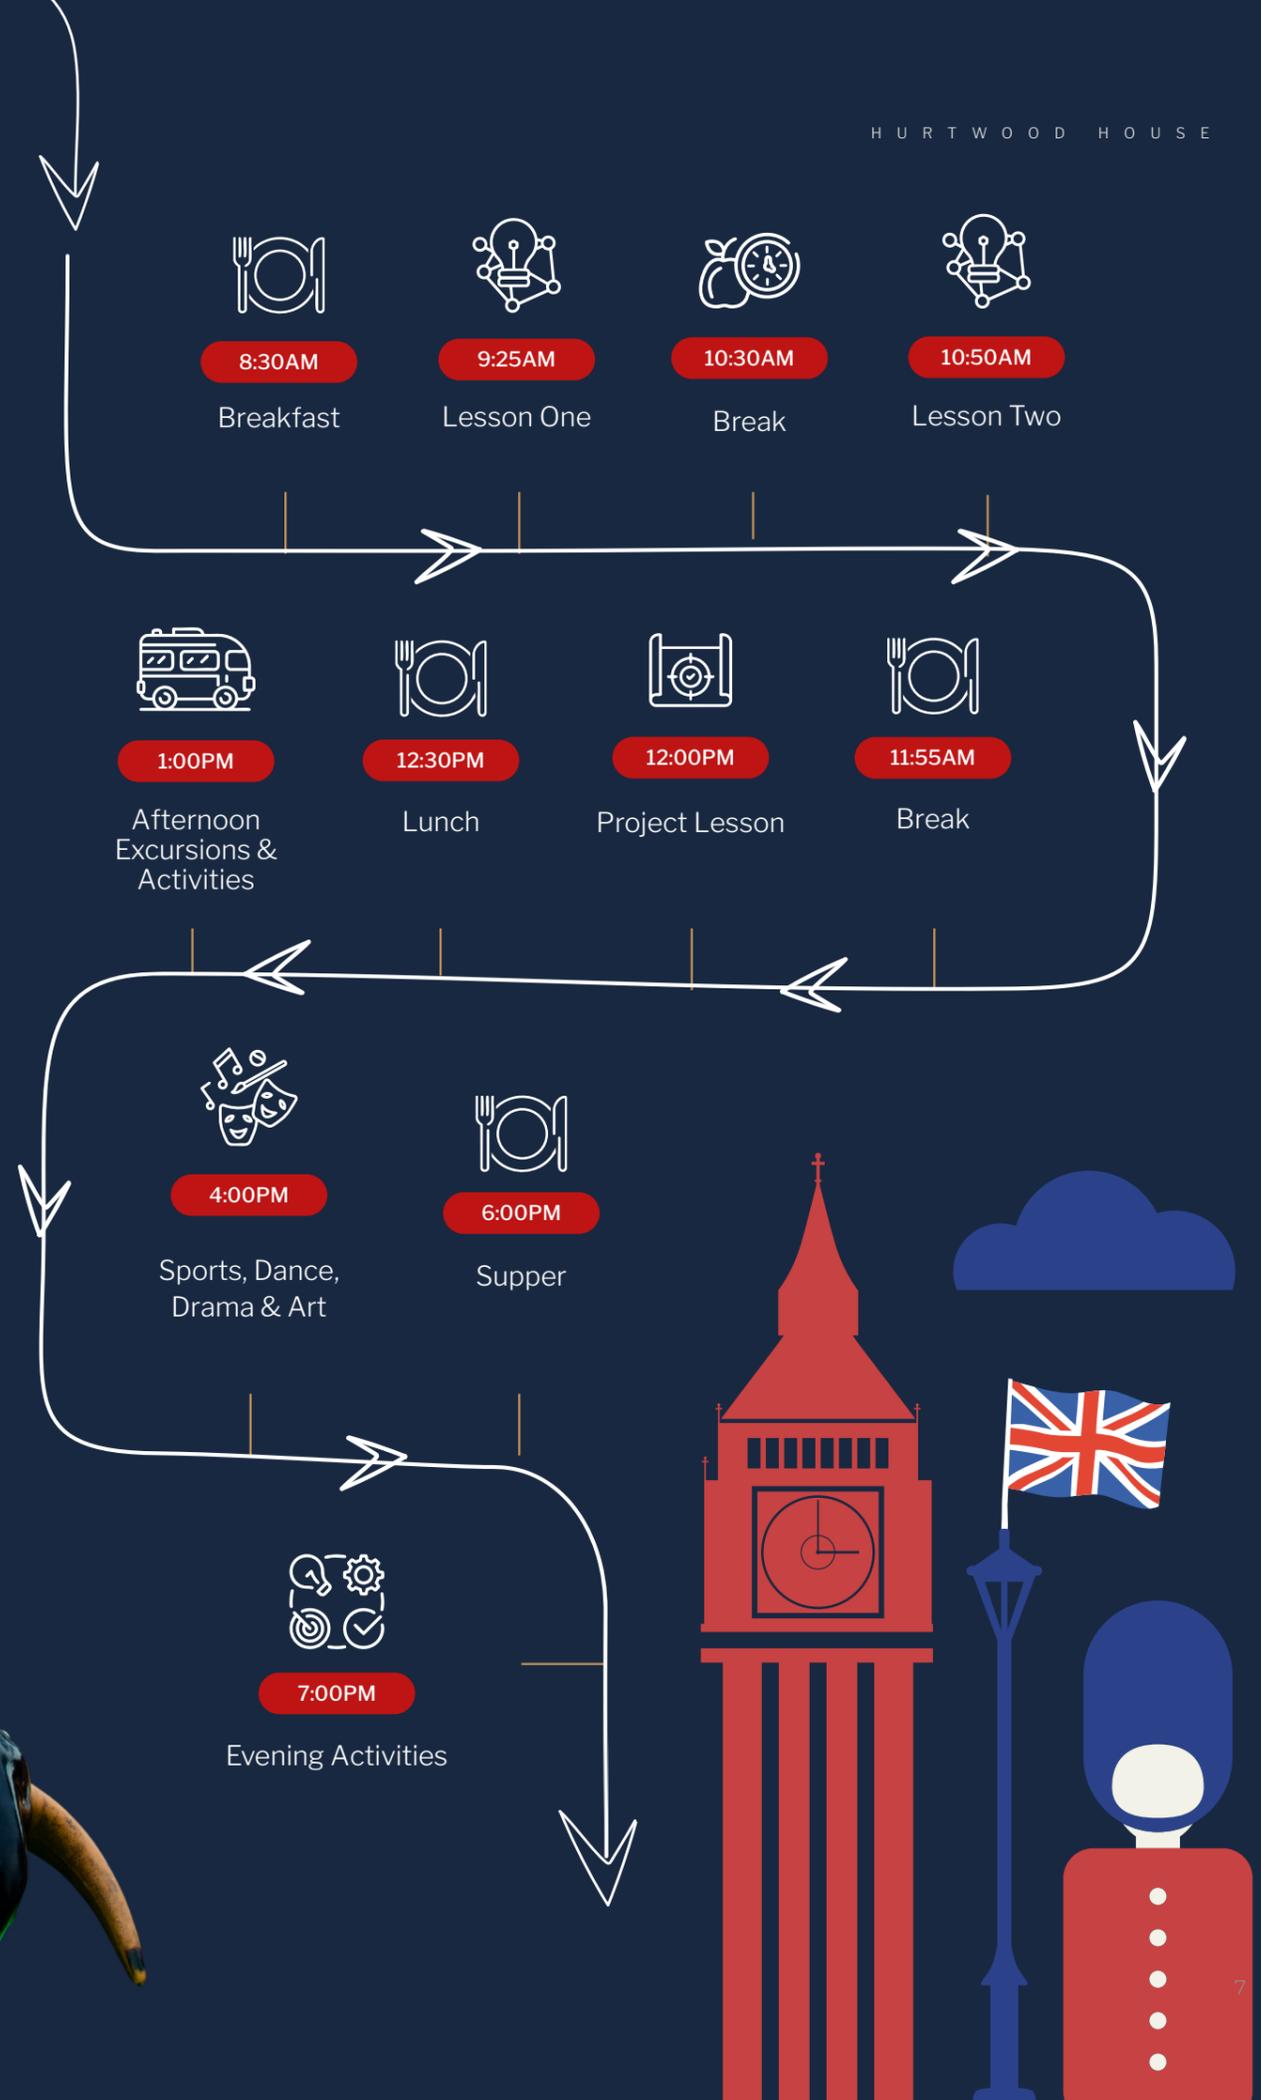

This truly is the best Summer School. The variety and choice of activities is incredible. I have stayed 5 weeks this year and haven't been bored once

**Ilya – Ukraine**

# A DAY AT SUMMER SCHOOL

There is no such thing as a typical day at Hurtwood House Summer School because each day is unique. English Language Lessons take place each morning until lunchtime and the afternoons and evenings are packed with a wide range of incredible excursions and activities, which you can discover on page 11.

# ENGLISH LESSONS

Our study programme is carefully designed to support every learning style. Lessons are created to help students feel at ease, get involved, and make friends quickly. Every class is interactive, engaging, and fun, with a strong focus on developing real confidence in the English Language. We cover a wide range of skills, including:

- Communication skills – speaking and listening
- Pronunciation and fluency
- Grammar
- Study skills
- Presentation skills – helping grow confidence
- Reading and writing
- Everyday use of English

All levels are welcome – from absolute beginners to fluent speakers.

Our teachers are creative and innovative and lessons are never dull. The right balance between the oral and the written word is found according to the level of the group. Small teaching groups of no more than 12 students mean that each and every student can be given generous individual attention.

**The secret to the success of the English tuition...** is that students are immersed in English round the clock when they are here. All four language skills are constantly exploited throughout the day as part of the activities and excursions on offer.

## How do you ensure my child is in the correct level of class?

Upon arrival the students will take a short writing and speaking test and are allocated to a teaching group suited to their current level of English. During the course they are re-assessed and when progress is made, students are moved to more advanced teaching groups.

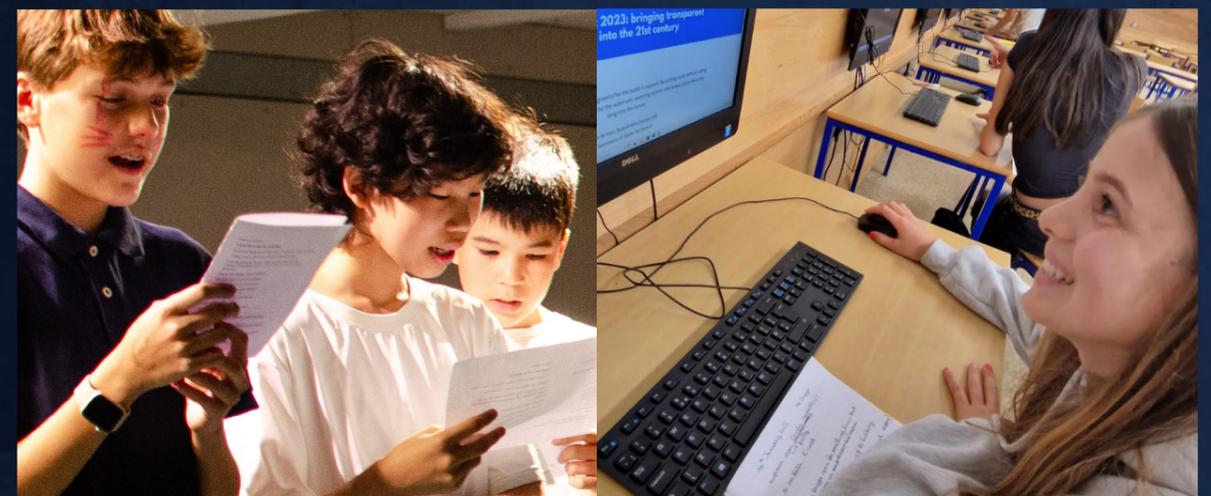

Over the years the school has found that even those who come as absolute beginners (with virtually no knowledge of the language) leave with the ability to speak and write basic English.

For the higher level students lessons are focused on honing advanced language skills and developing a finer grasp of the English Language. Lessons might include debating, Shakespeare discussions and even mock courtroom trials.

# PROJECT LESSON

**The highlight of the classroom learning for many students is the daily project lesson. Students will work together in their class to produce short films, plays, songs or business pitches. These are then presented as a class in front of the school at the end of the week.**

"Non stop fun!  
Vitoria had the  
best holiday of  
her life!"

– Joana P,  
Parent from Portugal

## ACTIVITIES

"Probably the best activities programme

## FOOD

The food at Hurtwood is quite simply delicious. Students will have breakfast, lunch and dinner in the school's modern dining room which also has some outdoor seating for when the sun shines. There is always a wide variety to choose from for lunch and dinner as well as a large salad bar. We also have our own pizza oven and most popular of all, our own ice cream machine!

Please advise us of any dietary requirements you may have in advance.

## WHERE TO FIND US

Hurtwood House is situated in the beautiful Surrey Hills, an area of outstanding natural beauty just one hour from London.

We are just 30 minutes away from London Gatwick Airport and 1 hour from London Heathrow Airport. We would be happy to organise transfers for the students to/from these airports. Simply let us know the flight number, arrival time and terminal and the students will be met in the arrivals hall by one of the Hurtwood Team wearing a bright pink t-shirt and carrying a bright pink Hurtwood sign.

If your child is travelling on airlines using the unaccompanied minor service (UM), please let us know as you will need to give the contact details of the person collecting them from the airport here in the UK (these will be provided on request).

For those who are dropping off their child themselves, the address of the school is:

*Hurtwood House, Holmbury St. Mary, Dorking, Surrey. RH5 6NU*

# WHAT TO BRING

The Summer School is very informal, but also very active with lots of sports and activities, so comfortable clothes such as shorts, t-shirts, sweatshirts, jeans, tracksuits and trainers are most useful.

- Bring a smart outfit to wear at our discos and formal dinner.
- Bring suitable sportswear as required for sports such as football, swimming, tennis etc.
- Bring a towel.

Please remember that the weather in the UK can change suddenly, so some clothes for warm weather and some for cooler weather (or rain) will be very useful.

Laundry facilities are available at the school. Older students do their own washing and younger students can have their laundry done for them. It is helpful for items to be marked with student's names.

# 2026 COURSE DETAILS

**Ages**  
11-17

**Dates**  
5th July–8th August

**Price**

# HOW TO BOOK

## Pocket Money

All activities and excursions are included in the price but of course there are times when students would like to have some spending money, such as in the arcades or souvenir shopping. We collect this money for safekeeping on arrival and students can withdraw as much as they require on a daily basis.
