Why choose us?

Quality comes first at IBWISE!

IBWISE prides itself for making a difference for its students. Our commitment and their individual success impact all we do. This is why studying at IBWISE is incomparable.

Year after year, since 2006, IBWISE students are accepted at the world's best universities.

IBWISE provides an all-inclusive experience. Tuition, accommodation with en-suite facilities, 24/7 care, breakfast, lunch, snacks and refreshments, all on one site.

What makes IBWISE an extraordinary experience?

- Exceptional review for IB students around the world
- Online and on-site courses
- In Vienna, one of the safest cities in the world
- A handpicked team of exceptionally qualified and dedicated IBDP educators and examiners
- Small, motivated study groups (4-8 students) to allow outstanding personalized service
- Instruction and board on one site
- Exceptional 24-hour care and support
- Free pick-up and drop-off at your point of arrival/departure
- An all-inclusive international experience

In-depth preparation in a caring & fun environment

Both IBWISE campuses are located in Vienna in picturesque park setting and provide for excellent accommodation and revision under one roof. It takes only 20-30 minutes on public transport to reach the old city centre.

Students can choose to book online classes, board or attend our classes on a daily basis. For students who choose the boarding option: accommodation is in beautiful, modern single or shared rooms, all with en-suite facilities and 24/7 care. Free wifi is provided throughout campus. Laundry service is available.

Our Campus

Vienna / Faculty

Vienna - the city of dreams

Located on the banks of the beautiful Danube river, Vienna is ranked the No. 1 city in the world consistently for years with respect to beauty, safety and livability. It has unique charm and is often also described as Europe's cultural capital or the "city of dreams", as the home of Sigmund Freud. It is easy to get around and boasts stunning architecture, outstanding infrastructure and an excellent public transport system that runs with incredible efficiency.

No matter how safe Vienna is, we take our students' well-being and security very seriously. IBWISE therefore provides 24-hour supervision & support on campus.

To guarantee a smooth arrival and departure, IBWISE offers free pick-up and drop-off for all our boarding students.

Faculty - renowned IB professionals

IBWISE faculty is a team of carefully selected professional IB Diploma Programme subject specialists. They all currently teach the IBDP in excellent international schools around the world. Highly qualified and accomplished in their fields of expertise, with 10-30 years of IB teaching experience, 90% of our teachers are also recognized IB examiners and many are IB teacher trainers in their specialized subject areas.

In addition, IBWISE is grateful to have a wonderful team of mature, highly credentialed camp supervisors. They are on duty 24/7 during our revision camps. The supervisors take our students' well-being very seriously and are supported by a team of highly motivated university students, many of whom are IB & IBWISE alumni. Together they make sure you have everything you need and that your stay with us in Vienna will be a personally enriching, unforgettable experience!

Make new friends and take home unforgettable memories

Enjoy after class fun

IBWISE brings young people together from around the world. We have a wide variety of fun free time activities for you to participate in together at our SUMMER PROGRAMME.

These include BBQ parties, dance classes, zumba, running in the gardens of the Imperial Palace, soccer, frisbee, badminton, table football, ping pong, etc.

There is plenty of time in the late afternoons and evenings to go on city wanders - museums, Viennese coffee houses, cinema, delicious meals, or shopping ...

Many of our activities are free of extra charge!

After Class Fun / Activities

Course Overview

Exceptional review for IB students around the globe

Fall & Winter Online IB Revision Course: These classes are tailored toward students in their last IB year. Our IB experts will support students with their subject matter & syllabus revision in 2-3 day intensives during October weekends and winter break. The revision will take place in a virtual interactive, small group setting and will be led by the same exceptional IBWISE faculty that normally run our on-campus workshops.

Final IB - Exam Revision Course: for students taking their IB Diploma exams in May. Students may choose to prepare up to 4 IB subjects. This intensive exam preparation provides students with the necessary skills and confidence to tackle their final exams masterfully.

Pre IB - Summer Revision Course: for students starting their IB Diploma curriculum in fall. Students can choose to prepare up to 4 IB subjects and will also be introduced to IB relevant minor subjects such as IA, CAS, TOK and Extended Essay.

Mid IB - Summer Revision Course: for students who are currently in their 1st DP year and will begin their 2nd DP year in fall. This outstanding revision course allows to review up to 4 different IB Diploma subjects.

Optional Short Courses: We offer a wide range of optional short courses for Final IB, Pre IB and Mid IB students to help them hone their academic skills.

Young Artists in Residence: Whether it be IB VISUAL ARTS, IB MUSIC, IB THEATRE or IB FILM, students will have the extraordinary opportunity to work and create alongside their peers, exceptional IB specialists and practicing artists. The entire programme is dedicated to the IB, where students are taken on an artistic journey. Vienna is infinitely rich in visual and performing arts and art history, which makes it a perfect location for this unique learning experience.

Spanish CAS Immersion Adventure in Spain: PRE IB- and MID IB students are invited to spend 14 days in the truly charming Pueblo Blanco "Vejer de la Frontera" in Southern Spain to enhance their Spanish skills (includes 20 hours of classroom Spanish). The CAS focus is on craftsmanship, (water) sports, as well as local community support and environmental issues.

Alpine CAS Adventure in Austria: This exciting 5-day CAS trip to the Ötztal region includes in-depth insights into some of Austria's oldest types of craftsmanship, as well as helping in a local farm and assisting rangers in a nature park.

Fall & Winter Online IB Revision

Our convenient online courses via ZOOM video-conferencing

Our Online Exam Revision Courses in fall and in winter, help IB candidates prepare for their November IB exams or mock exams in January. Solidifying your knowledge, skill-set and confidence is key to do well in the IB. Our IB workshop trainers all come with many years of IB teaching and examining experience. They will do an exceptional job preparing you for your upcoming mock- and IB exams.

“

The teachers were just awesome! They were extremely helpful and I took a huge amount with me from this year's IBWISE - Zoom Revision Course. The lessons were great fun and at the same time hugely informative. Overall an excellent experience for which I am truly thankful.

Nina, Dubai

Preparation for students in their final IB Diploma year

The Final IB - Exam Revision Course thoroughly prepares students in their final IB year for their IB exams in May. It runs during spring break and focuses entirely on the IB exams. It is an excellent opportunity for students to prepare most effectively for these demanding exams and to achieve their specific individual goals and desired grades.

The very small group setting at IBWISE, in combination with exceptionally experienced IBDP teachers and examiners, will allow you to ask all your questions and receive all the important answers crucial for your success in your exams. Receive intensive support by IB specialists and obtain the best strategy for your exams, as well as the confidence necessary to receive the grades to which you aspire at your finals in May.

We offer a wide range of IB subjects at our Final IB Revision course - please visit our website for details. All subjects (except the specific languages) are taught in English. Most subjects are taught in separate HL and SL groups.

Final IB Spring Revision

Pre IB Summer Revision

For students starting their 1st IB Diploma year

The Pre IB - Summer Revision Course is designed for students who will start their 1st IB Diploma year in fall. This course is a thorough introduction to the IB Diploma coursework and supports students effectively in getting their 1st year off to a great start. You may choose to study up to 4 major IB subjects of your choice. Each subject will be studied over 3 full days and combined with a minor IB subject.

Together with our highly experienced and dedicated DP subject specialists, who have 10-30 years of IB teaching and examining experience, you will dive into the expected IB coursework. To have a teacher, who focuses on each student's individual needs, contributes strongly towards a good understanding of the important concepts of this demanding syllabus. This compact 3-day course setting allows prospective IB students to concentrate on one subject at a time and 1-2 rest days between subjects. This allows students to study up to 4 IB subjects effectively over a short period of time (2.5 weeks).

This course model helps students to remain academically focused and motivated throughout their stay and accomplish a great amount of work! In addition, Pre IB summer course students can choose from a selection of excellent additional short courses to help them maximize their skills and grades.

For students starting their 2nd IB Diploma year

The Mid IB - Summer Revision Course is designed for students, who are currently in their 1st IB year and will begin their 2nd IB year in fall. At this highly effective and in-depth revision course you will review and study 1st and 2nd year coursework. You will reinforce and deepen your understanding of the difficult concepts of the IB syllabus and be provided with a sound foundation on which to build in your last year.

The compact 3-day course setting (18 hours per subject) allows IB students to concentrate on one subject at a time, followed by 1-2 rest days between subjects. It allows students to study up to 4 IB subjects over a 2.5-week time period.

Together with our highly experienced and dedicated IB subject specialists, each of whom has 10-30 years of IB teaching and examining experience, students will review and practice thoroughly their coursework. You will have a teacher, who focuses on each student's individual needs and contributes strongly towards a profound understanding, integration and application of the important concepts of this demanding syllabus.

All courses also available online!

Mid IB Summer Revision

Young Artists in Residence

An identity forming experience as a young artist

'Young Artists in Residence' is designed specifically for young lovers of 'The Arts' and allows you to dive into the world of Visual & Performing Arts for a week-long enriching IB summer camp experience in a breath-taking setting and with fantastic IB workshop leaders.

Be it IB Film, IB Music, IB Theatre or IB Visual Arts, join us for a 3.5 or 7-day YAIR workshop and combine it with 1-3 regular IB subject revision sessions of your choice!

At 'Young Artists in Residence' students from around the globe are offered the unique opportunity to create and practice alongside their peers, renowned IB Diploma specialists and inspiring professional artists, musicians, actors and dancers. Students will explore the true atmosphere of the arts, whether it be film-making, painting, sculpting, collage, photography, classical or modern music, composing, acting, pantomime, modern dance or hip hop and performance.

Make new challenges and experiences part of your CAS programme!

Spanish CAS Immersion

IBWISE invites IB students to live and learn in the truly charming Pueblo Blanco "Vejer de la Frontera" in beautiful Andalucía, 15 minutes from the beach. This compact 14-day holistic, interdisciplinary course with CAS opportunities includes 20 hours of classroom Spanish (at all proficiency levels), 24/7 immersion in the language, culture, history and social policy of the area and living in a lovely Spanish family. The CAS focus is on craftsmanship, water sports, as well as local and global issues. The programme offers both PRE IB and MID IB incentives. All students complete the course with a certificate and creative project that highlights their own experiential learning for their individual CAS programme.

Alpine CAS Adventure

Combine our IB Summer Revision Camp with a magnificent 5-day Alpine CAS experience to the Austrian Alpine Ötztal region! While hiking or cycling, you will also help the local rangers preserve nature, repair foot paths, and clean up this unique nature park. You will help on a typical mountain farm, make cheese and bake bread while gaining some highly rewarding in-depth cultural insights into some of Austria's oldest traditions, in one of Austria's truly authentic villages. CAS teachers are also welcome.

All students complete the course with a certificate and creative project that highlights their own experiential learning for their individual CAS programme.
