Oxford locations feature in many of the Harry Potter films (the Bodleian Library, New College and Christ Church).

The centre has 32 tennis courts, a cricket pitch and pavilion, dance studio, and its own concert hall.

Unlike our other Young Learner English programmes, this course has English lessons in both the morning and in the afternoon: 21 hours of English tuition per week by a qualified English teacher. It is an intensive course across English reading, writing, listening and speaking skills.

It is not all hard work though – Intensive English classes are lively, interactive and fun. Students are encouraged to speak English at all times, and benefit from using the language with others their own age in different social situations.

Students will have 15 hours of general English lessons with the rest of the school then six additional hours focused on improving their spoken English with an accredited exam at the end of their course.

Students also participate in sports, arts and crafts, and other activities. Aimed at practising English through fun and teamwork, the Intensive English programme proves that it is possible to work hard and still have fun!

Study trips are also a big part of the course, with one full-day and one half-day trip included every week. THE BRITISH COUNCIL

Care of students and safeguarding under 18s are both areas of strength in our British Council inspection.

“There is a genuine commitment to student welfare across the organisation, including a detailed welfare manual, welfare managers at each centre and an explicit student welfare role for house supervisors.”

YOUNG LEARNER

ON-SITE

SENIOR MANAGERS

All our young learner schools have four on-site senior managers:

- › Centre Manager, who oversees all aspects of the school
- › Director of Studies, who is responsible for the quality of the programmes and teacher development
- › Student Welfare Manager, who ensures the students are having a great time
- › Activity Manager, who runs the learning and social trips and activities.

All senior staff have student welfare training every year, in addition to professional development.

TEACHERS,

ACTIVITY LEADERS

AND SUPPORT STAFF

All teachers have English language qualifications relevant to the courses they are teaching. The whole teaching team has a range of experience, knowledge and skills matched to the courses and the needs of the students.

The academic managers ensure day-to-day guidance and support for all teachers and they observe and monitor teachers' performance.

All our young learner staff have DBS checks and at least two references before they can work at our schools. We ensure a high number of our staff on site have first aid training.

NATIONALITY MIX

“What I liked the most was socialising and making new friends from all around the world.”

- Valeria, Mexican, 17
Future Leaders Entrepreneurship

Nationality mix data represents student population across all centres in 2022. It is not centre specific.
