

SEA, SURF, & WIND

RESIDENCE ACCOMMODATION

General Information

Our summer camp enables our junior students to improve their skills in French quickly while discovering a wide range of exciting sports.

This premium programme offers students the chance to try out surfing, windsurfing, sand yachting, wakeboarding, and much much more !

Every afternoon at least one sports activity is organised - students meet with their dedicated group leader after lunch to wherever the activity is taking place.

Some activities are quite far from La Rochelle (1 hour), so students need to be ready to leave on time if they want to enjoy each activity to its full.

The weather can affect whether or not some activities take place (tides, waves, rain, etc.) - a back up activity will always be offered in these cases.

Excursions

inlingua organises a full-day excursion every Saturday for the Junior group, this excursion is part of your course. The details of the trip will be on display at the school every week - make sure you check the meeting times on the timetable so you are not late - if the group is taking a train or a bus, they will not be able to wait for you.

Timetable

On the first morning, students are asked to come to the school at 8:30. This is so we may organise a quick interview with new students to check that each person is placed into the correct group.

Students following the 15-hour Junior French Course will have classes every morning from 9:00 to 12:15, except on Mondays when lessons are from 10:00 to 1:15.

Students all have lunch together at the school from at 12:15. Students in the residence order their lunch each day during breakfast - make sure you don't forget to place your order or you may not end up getting what you wanted.

The duration of afternoon activities varies depending on the distance from the school - most days students will be back at the residence around 6pm.

After activities you will all go back to the residence together to have a shower and prepare for dinner. Dinner is normally had at one of the restaurants around Les Minimes, but is occasionally replaced by a meal at the school with the other students.

Course Curriculum

Once you have done this test, you can check your learning programme based on your results. [Click here to see your learning syllabus online.](#)

SOIR	Dîner en ville	Soirée Jeux & Barbecue à l'école	Repas aux Minimes	Soirée sur la plage	Soirée fajitas à la résidence		

Curfews

Students staying at the residence are not authorised to go out unsupervised in the evening. If the students wish to go into town, an outing with the group leader will be organised.

Students will be allowed to walk around on their own, but must check in with the group leader regularly at a given meeting point.

Check List

Dont forget to bring :

Swimming trunks/costume & a towel

Suncream/sunglasses

Old shoes that can get wet/dirty

Don't forget to order your lunch with your group leader before you leave the residence in the morning.

Make sure you check the timetable and dress/prepare accordingly

Online Level Test

The Online Placement Test must be completed at least 15 days before your arrival in order for us to be able to organise the course effectively.

The test takes about 20 minutes and we will receive the results immediately afterwards.
