The School

Our school's setting is unique: our three large, historic houses are surrounded by the trees and peaceful gardens of Albert Park, but right in the heart of Auckland City. Just across the road from the school is the University of Auckland, a convenient place for our students to buy lunch, look through the bookshop or pay for transport passes.

- A medium-sized language school, with 150 to 250 students, depending on the time of the year
- Well-equipped classrooms with views of the park and gardens
- Learning Centre with a range of resources for independent study, supported by teachers
- Free wireless internet access throughout the school

The Academic Environment

At Languages International, our high academic standards are at the heart of everything we do.

Teachers

Our talented teachers create a friendly and relaxed atmosphere in the classroom and at the same time give effective, focused lessons.

Teacher Training

- Languages International has been a training centre for English teachers since 1988, running courses for the Cambridge CELTA and Delta qualifications, as well as the Languages International TESOL/TKT course.
- Our teachers are well supported by continuous professional development.

Independent Learning

- We strongly believe in not only teaching English to our students but also helping them to become better language learners by developing their independent learning skills.
- In our Learning Centre, we extend the study that you do in your classes to give you a course that meets your individual needs.
- Our teachers help you to make an individual study plan, show you which resources and activities to use in the Learning Centre, and support you as you make progress towards your goals.
