Make Malvern Memories

A summer of learning, adventure, and friendship
in one of England's most beautiful settings

Welcome to Malvern College

**An inspiring British boarding school experience
where your child discovers new possibilities
in a safe, supportive environment.**

When you choose Malvern College Summer School, you unlock more than just a summer adventure. You give your child:

Trust and care you can count on - passionate Houseparents, expert tutors, and dedicated staff supporting your child 24/7.

Global friendships that inspire - young minds from around the world sharing discoveries and creating lasting connections.

Room to flourish - confidence, independence, and life skills that grow long after summer ends.

Authentic British boarding school experience - living and learning in one of Britain's most beautiful historic schools while discovering local customs, and culture.

Set in the stunning Malvern Hills, your child experiences the security of a British boarding school with the freedom to explore new passions and adventures.

“ We were very happy with our Malvern experience; our daughter came back delighted! The staff are as amazing as the activities that are organised!”

Parent, Summer 2025

“ Your child's happiness and growth are the heart of everything we create at Malvern College. The Summer School lives within our College community, not as an outside programme, reflecting the same inspiring values that guide us year-round: excellence, care, and opportunity.

When you entrust your son or daughter to us, you can feel confident they are learning in a nurturing environment, guided by passionate teachers and supported by caring staff. I look forward to welcoming your child to Malvern and witnessing the extraordinary memories they will create.”

Keith Metcalfe
Headmaster of Malvern College

Why Parents Choose Malvern

Safe. Inspiring. Full of opportunities for your child to discover their potential.

When you send your child to Malvern College Summer School, you give them a summer that perfectly balances support with exciting challenges. Every detail is thoughtfully designed to help them feel secure, valued, and ready to explore amazing new possibilities.

Your child will:

Develop independence - thriving in a boarding house with guidance from experienced, caring staff.

Transform their English - through daily practice in lessons and natural conversations with friends from every corner of the world.

Discover new confidence - both in learning adventures and trying exciting new activities.

Build leadership and teamwork skills - collaborating in lessons, on stage and through sport.

Expand their global perspective - sharing meaningful experiences with students of many cultures.

These are skills and memories that enrich their lives far beyond summer.

“ Three children from my family took part in Summer School this year. They had a great time there and gained not only improvements in English but also life-long skills. Teachers are nice and helpful. We will come back again for sure. ”

Pastoral Care Comes First

Your child's safety, happiness, and wellbeing are always our top priority.

You can trust completely that your child is well cared for every moment of their stay. From the instant they arrive to their departure day, our experienced team ensures they are safe, supported, and genuinely happy.

Specialist airport and transfer manager - ensuring smooth, safe journeys from arrival to departure.

Dedicated Houseparents - living alongside students and providing round-the-clock care and guidance.

Secure, welcoming boarding houses - organised by age and gender, creating a safe and warm home environment.

Heads of Department for modules - expert teachers leading each subject area with passion and expertise.

Excursion leaders - experienced staff guiding every trip and activity with safety and fun in mind.

“ We were extremely pleased with the level of care, safety, and support provided. The staff were attentive, kind, and professional, and we felt confident our child was in a secure and nurturing environment.”

Modules Designed Around Your Child

Choice, flexibility, and growth so every student creates their perfect summer journey.

At Malvern College Summer School, your child takes control of their learning adventure. Each week, they choose two exciting modules: one in the morning and one in the afternoon.

Flexible, personalised options:

Mix and discover - try something completely new each week, from Performing Arts to STEM.

Stay and advance - when your child chooses the same module over multiple weeks, lessons build skilfully on their progress, so they keep moving forward.

Tailored teaching – Malvern College teachers assess each student and adapt activities to match their level, ensuring your child is both challenged and supported.

This flexibility means your child will enjoy a completely personalised summer experience, perfectly balancing learning with fun and exciting challenges.

“ There’s so much choice of activities where you can learn amazing new things. ”

Student, Summer 2025

Performing Arts

From first nervous steps on stage to a final performance bursting with confidence and pride.

Performing Arts is one of the most thrilling modules at Malvern College Summer School. Each week, your child works with professional drama, dance, and musical theatre tutors. It's a chance for them to shine, surprise themselves, and to discover incredible new confidence.

Skilful step-by-step progression - sessions build expertly throughout the week, developing talents in acting, movement, voice, and teamwork.

A spectacular final performance - every student shines in an exciting showcase at the end of the week, performed to the entire summer school.

Confidence that builds lasting self-belief - standing on stage, supported by friends and encouraging staff, gives your child a sense of pride and achievement.

Designed for everyone - whether your child dreams of performing or has never stepped on stage, this module offers fun, encouragement, and amazing new experiences.

Parents and staff are often amazed at just how professional and creative these performances become in just a few focused days. For your child, it's a chance to shine, to surprise themselves, and to discover incredible new confidence.

“ Perform Arts is incredible! I loved dancing to music from musicals and acting in something we created as a group - it was amazing! ”

Outdoor Pursuits

**Adventure, teamwork, and confidence-building
in the spectacular Malvern Hills.**

The stunning Malvern Hills provide the perfect backdrop for incredible adventures. In Outdoor Pursuits, your child steps out of the classroom and into nature, expertly guided every step of the way by Malvern College's own dedicated Outdoor Pursuits specialists.

Confidence through exciting challenges - climbing, kayaking, mountain biking, paddleboarding, and hiking all inspire students to try new things and believe in themselves.

Leadership and teamwork development - activities are thoughtfully designed to bring students together, instilling collaboration and resilience.

Pure fun in nature - fresh air, laughter, and unforgettable experiences with new friends.

Safe and expertly supported - every challenge is carefully supervised by experienced, qualified instructors.

From scaling climbing walls to paddleboarding across sparkling open water, Outdoor Pursuits is about pushing personal boundaries while staying completely safe. Students leave with exciting new skills, renewed confidence, and memories of adventures they will treasure forever.

“ Outdoor Pursuits was the most exciting module! I absolutely loved the mountain biking and paddleboarding - it was fantastic! The hiking was challenging but so much fun”

Student, Summer 2025

STEM

Exciting projects in Science, Technology, Engineering and Maths – designed to spark curiosity and build confidence.

STEM offers the perfect mix of fun, challenge, and discovery. Our teachers keep every child engaged and inspired while helping them discover what different STEM disciplines involve.

Across the week, your child could explore:

Sustainable engineering - designing innovative solutions for a greener future.

Space exploration - the fascinating science of rockets, orbits, and discovery.

Mechanical engineering - building amazing machines and testing how they work.

Mechatronics - combining electronics and mechanics in creative, exciting ways.

Wind turbine construction - hands-on projects that bring energy science to life.

Rocket design and launch - turning theory into thrilling action.

Coding - learning the language of the future through practical, engaging tasks.

Every activity is designed to stretch imagination and build real confidence. By experiencing such a variety of STEM fields hands-on, your child gains valuable insight into different disciplines that could help guide their future study choices.

“ In STEM we built rockets and aircrafts. With my friend we got the furthest distance and won first prize!”

Student, Summer 2025

Sports

Inclusive, energising, and confidence-building - sport that develops skills and teamwork.

Sport at Malvern College Summer School is thoughtfully designed for every ability and age group. Whether your child is a natural athlete or simply enjoys playing with friends, they will benefit from expert coaching, outstanding facilities, and the joy of learning exciting new skills.

Each week, students participate in an exciting mix of sports, including:

- » Football
- » Tennis
- » Badminton
- » Touch Rugby
- » Basketball
- » Hockey

All coaching by Malvern College's own expert sports teachers is delivered using our first-class sporting facilities including Astros, Sports Hall and Tennis Courts.

“ I've been doing Tennis and Basketball in the sports module, and I absolutely love it! ”

Student, Summer 2025

English as an Additional Language

Practical, project-based learning for every ability, from beginner to advanced.

At Malvern College Summer School, English is taught by the College's own experienced, passionate teachers. Lessons go far beyond grammar and textbooks - they are engaging, practical, and project-based, so your child learns by doing and discovering.

In 2025, students enjoyed exciting projects such as:

Interviewing local people in Malvern's charming town centre.

Creating a brand-new sport and presenting it confidently to their classmates.

Collaborating in groups to research and share ideas in English.

This immersive approach builds confidence in speaking, listening, reading, and writing, while making lessons enjoyable and meaningful.

Complete reassurance for parents:

Quality English accredited - international recognition of exceptional standards.

First-day assessment - students are placed in classes with others at a similar level.

No minimum level required - from beginner to advanced, every student is challenged and supported.

Your child will leave with greater fluency, confidence in everyday conversation, and the ability to use English in real-life situations.

“ EAL was the module that excited me the most - it was never boring and I learnt fascinating new things every day through games and engaging activities! ”

Student, Summer 2025

Creative Arts

**Confidence, expression, and creativity
through inspiring hands-on art.**

Creative Arts gives your child the opportunity to express themselves, explore new skills, and create artwork they feel genuinely proud of. Every activity is designed to build confidence alongside creativity.

Taught by Malvern College's talented art teachers, the module introduces a wonderful variety of projects, such as:

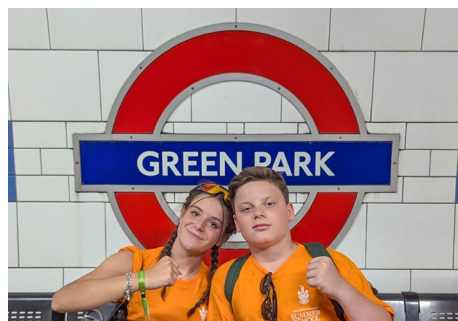

- » Making beautiful pots and sculptures in ceramics.
- » Building amazing toys in woodwork.

- » Screen printing colourful t-shirts and bags.
- » Creating stunning nature-inspired art with flowers and photo paper.

This is a module for everyone - from experienced young artists to complete beginners. Lessons are engaging, hands-on, and fun, with tasks thoughtfully tailored to every ability.

“ Doing woodwork has been so much fun! My favourite bit was looking at geometric shapes and building a puzzle. ”

Student, Summer 2025

London Trip

Sightseeing, culture and unforgettable memories in the world's most exciting city.

For many students, the absolute highlight of their summer is the trip to London. Your child will have the amazing opportunity to immerse themselves completely in the capital.

What makes this truly special:

World-famous landmarks - from Buckingham Palace to the iconic London Eye.

Cultural discovery - fascinating museums and attractions such as the Natural History Museum and Madame Tussauds.

Time to explore - exciting shopping at Hamley's, Oxford Street, or vibrant Covent Garden.

Safe and expertly supported - experienced staff guide the adventure at every stage.

The trip is about much more than sightseeing. Your child returns with expanded cultural awareness, and the excitement of having explored one of the world's greatest cities with friends from around the globe.

“ London is the most beautiful city – I absolutely loved it! We went on the London Eye, saw Big Ben, Buckingham Palace and amazing museums! It was the most incredible trip. ”

Student, Summer 2025

Day and Evening Trips

**Cultural discovery, fun experiences,
and memories shared with friends.**

Every week at Malvern College Summer School includes exciting opportunities for your child to step off campus and enjoy amazing new experiences. Weekend trips take students to vibrant cities including Birmingham, Bristol and Cardiff - visiting historic castles to immersive adventures and exciting theme parks.

These visits perfectly combine culture, history, and fun, giving your child a wonderful taste of British life while building independence and confidence in a completely safe setting.

Midweek evenings bring a different kind of fun. Whether it's **ice skating**, **laser tag**, or **bowling**, these outings give students the chance to relax, laugh, and enjoy downtime together. They are simple pleasures that create lasting memories and strong friendships.

“ My favourite part has been the brilliant evening activities and having so much fun with my friends. ”

Student, Summer 2025

Exceptional Food, Every Day

Delicious, nutritious meals crafted by talented chefs in our beautifully renovated dining hall.

Your child will enjoy freshly prepared, delicious meals every day, created by our skilled chefs. Mealtimes happen in the stunning newly refurbished dining hall, a vibrant centrepiece of the Malvern College experience.

- » Variety at every meal - hot dishes, fresh salads, and lighter options to satisfy every taste.
- » Thoughtful care for individual needs - allergies, dietary requirements, and cultural preferences expertly managed.
- » Snacks and drinks - available throughout the day to keep spirits high.

Mealtimes become special moments of friendship. Students gather, share stories, and connect with peers from many different cultures.

“ The food is really delicious here. My favourite was the beef lasagna – it was the best I’ve ever tried! ”

Student, Summer 2025

A Safe and Comfortable Home

Traditional British boarding houses that are welcoming, secure, and full of friendship.

Your child will live in one of our charming traditional boarding houses, each buzzing with a strong sense of community and care.

- » Comfortable single, twin, or cosy dormitory rooms.
- » Houses thoughtfully divided by age and gender for security and belonging.
- » Inviting shared common rooms where students relax, build friendships, and feel truly at home.
- » Experienced Houseparents living alongside students, always available to help and support.

Accommodation at Malvern gives your child an authentic taste of British boarding school life - safe, nurturing, and unforgettable.

“ Living in the boarding house is wonderful - you get to be around your friends all the time and have so much fun! ”
