SUMMER

ENGLISH-LANGUAGE IMMERSION

July 3 to Aug. 1, 2026

For grades 7 to 12

Boost Your Language Skills and
Explore American Culture

In NMH Summer's English-Language Immersion program, you'll work with caring teachers who make learning fun, in small classes that allow the engagement and feedback you need to excel and advance.

You'll improve your English reading and writing skills by reading novels, short stories, and other genres and writing your own stories, poems, and reports. Class discussions, fun games, and opportunities to share your experiences with new friends from across the globe will help you strengthen your skills and become a confident English speaker.

Outside of the classroom, you'll enjoy athletics, arts, and outdoor adventures with classmates from around the world.

You'll take part in exciting excursions to historic and cultural sites, like the Emily Dickinson Museum; Old Sturbridge Village; Salem, Massachusetts; the Metropolitan Museum of Art in New York; and the Museum of Fine Arts in Boston. You'll also have fun exploring American customs and culture – whether it's playing your favorite songs on the jukebox at a local diner, cheering at a baseball game, or celebrating the Fourth of July with a parade, picnic, and fireworks.

You'll live, learn, and have fun on our beautiful New England campus, with state-of-the-art facilities.
