

In NMH Summer's English-Language Immersion program, you'll become more fluent and confident in English while living in our welcoming, student-centered community.

NMH  
SUMMER

Build fluency and confidence in English,  
explore American culture — and have fun!

NMH  
SUMMER

ENGLISH-LANGUAGE  
IMMERSION

July 3 to Aug. 1, 2026

For grades 7 to 12

Boost Your Language Skills and  
Explore American Culture

In NMH Summer's English-Language Immersion program, you'll work with caring teachers who make learning fun, in small classes that allow the engagement and feedback you need to excel and advance.

Outside of the classroom, you'll enjoy athletics, arts, and outdoor adventures with classmates from around the world.

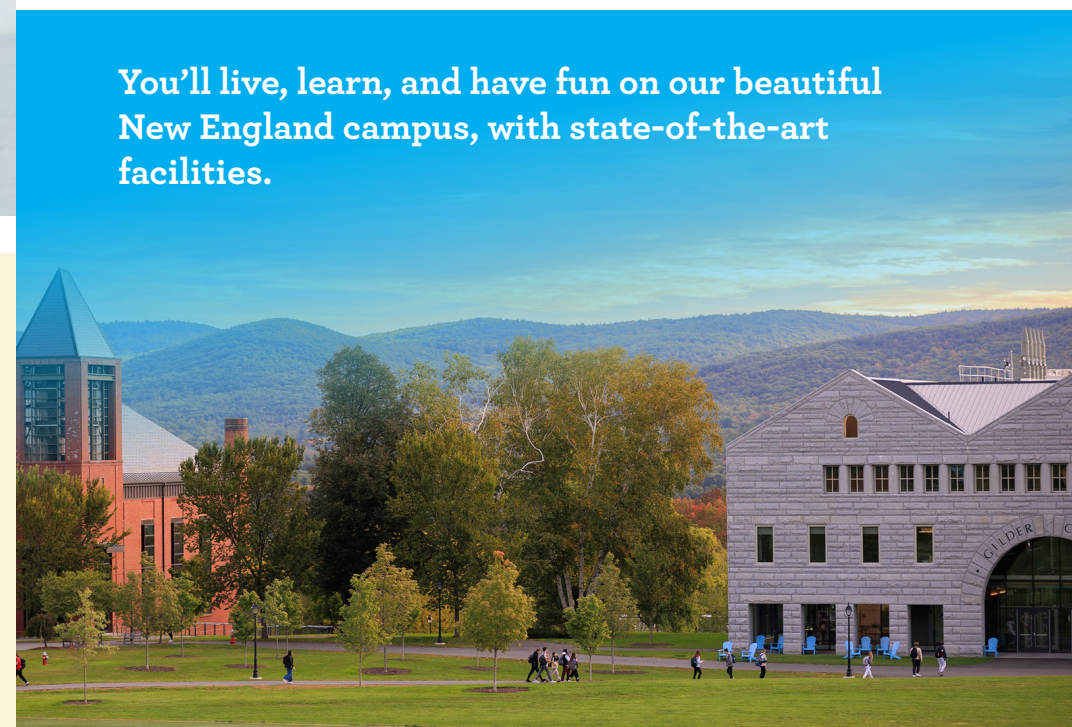

You'll improve your English reading and writing skills by reading novels, short stories, and other genres and writing your own stories, poems, and reports. Class discussions, fun games, and opportunities to share your experiences with new friends from across the globe will help you strengthen your skills and become a confident English speaker.

You'll take part in exciting excursions to historic and cultural sites, like the Emily Dickinson Museum; Old Sturbridge Village; Salem, Massachusetts; the Metropolitan Museum of Art in New York; and the Museum of Fine Arts in Boston. You'll also have fun exploring American customs and culture – whether it's playing your favorite songs on the jukebox at a local diner, cheering at a baseball game, or celebrating the Fourth of July with a parade, picnic, and fireworks.

You'll live, learn, and have fun on our beautiful New England campus, with state-of-the-art facilities.

In the NMH Summer Enthusiast program, you can dive into your passions and explore new ones, while developing skills in a student-centered learning community.

NMH  
SUMMER

Explore new subjects,  
build real-world skills — and have fun!

NMH  
SUMMER

NMH SUMMER  
ENTHUSIASTS
