## Teens Lifestyle Adventure – English Summer Camp

You want to enjoy an interactive lifestyle of adventure with international friends on a fun-and-sun filled summer seaside holiday teeming with activities, parties, swimming, and good practice of your English. Your choice is NSTS Malta.

We transform this friendly Mediterranean island into a teenager's dream playground, with day-long thrilling events that you would not want to miss.

Surely, your day starts off with dynamic interaction training in spoken English using the four language skills even at ideal casual locations outside the classroom.

You will beat the afternoon sun with indoor games, quizzes and shows or challenge it by heading to swim at some scenic beach or sightseeing to absorb Malta's cultural gems.

Whatever the event, your afternoons are always outstandingly enjoyable.

In the evenings you buzz off to explore medieval ghostly towns by night, barbeque by the pool or on the beach and indulge in a night swim, take the centre role in an entertaining film night, dance away at a lively international party, and more.

Your weekend is just as gripping. You head out on a full-day heritage discovery and swim and spend your other day relaxing by the pool or on an optional eventful excursion.

In all, you keep going for 5 mornings of 20 English lessons and further your pleasure speaking English on 5 afternoons, 6 evenings and 1, optionally 2, full days on the weekend. Your airport greetings and transfers are also cared for.

You would choose to co-live and share rooms with friends and other nationalities, enjoying free Wi-Fi and full board with packed lunch in one of NSTS Student Residences. Alternatively, you may live at a local host family.

**YOUNG STUDENTS  
10 – 17 YEARS**

You want to make new friends and enjoy yourself with them

You will choose a multi-bedded room with its original duplex beds to share among 4 or 5 from your group or from among international students. You will never be alone.

Campus Student Residence sports an exclusive young people's wing with bedrooms dedicated to the age group 10 to 17 years and to their accompanying leaders if arriving as a group.

Each bedroom has its own private shower-room and toilet which may be in the corridor. It is equipped with a personal small clothes cupboard with electronic lock, other storage spaces, free WiFi, environmentally regulated air-conditioning or heating, linen, towels, 3 weekly cleans, special safety and security features and may share a common balcony with the adjacent room if not overlooking a small internal yard.

You will train yourself to respect your friends in your own room, share the limited spaces with them, and consequently keep your room and shower-room tidy and clean every day. ## Host families 2022

You want to speak more English and learn about Maltese family culture and cuisine

You are an outgoing person who loves sharing your life with others to increase your intercultural competencies and practise English at your temporary home. Host families reciprocate your feelings and welcome you into their private homes, offering you the comfort of a shared or single room, shared bathroom, breakfast, and dinner. They too share their experiences with you and introduce you to Malta and the Maltese way of life. Their family constitution is varied as are the premises they live in, but their care and hospitality are common to all. Households range from young couples with children to elderly couples whose children left the house, to single persons, with or without pets. Efforts are made to locate families within walking distance of the language school, which may not be satisfied during times of great demand or late receipt of your booking. In these cases, you will use public transport to/from school. Living at a foreign family in a country other than your own provides you with qualities and skills that strengthen your disposition to affront unusual situations and transform them into pleasant occurrences.

## Apartments

There are many well-furnished apartments on short lets available. We would be happy to recommend any one of these options near the NSTS School's location in Gzira, Sliema, St. Julian's, Msida, San Gwann and their suburbs to you.
