

Boarding

Students live in the school, sleeping in our own boarding houses in comfortable, simply furnished bedrooms. Residential house tutors live in the houses with the students. Boys and girls are in separate, well supervised areas. Rooms have mostly one or two beds, but in some houses some dormitory style rooms might be used, which sleep up to seven. Bathrooms are likely to be shared.

Meals are served in a wonderful Dining Hall and are catered for by the Sherborne School catering team. The food is cooked on the premises using fresh, locally sourced ingredients. There are at least 3 hot options per meal (including a vegetarian choice) as well as a selection of cold dishes, vegetables and fruits, cheeses and salads. In addition, hot and cold drinks and snacks are available at morning break. Packed lunches with water are taken on Thursday and Sunday excursions.

We cater for religious, special diets or allergies, but please be sure to note your child's requirements on the registration form.

'Everyday we had a new and fun activity and everyday you can choose a different sport!'

'Thanks for the best July of my life!'

Activities

Quiz, talent show, bingo, zorbing, theme nights, yoga, board games, fashion shows, baking, pizza night, party games, film club, karaoke, circus skills, scavenger hunt, tower building, dressing up, disco, garden party, birthdays, pool, table tennis, table football, tea parties, quiz, pamper nights, bouncy castle and more.

Excursions

Two excursions each week give the students the opportunity to explore places of interest, cultural and historical sites and local cities, mixed in with adventure and theme parks. On alternate Wednesdays, teacher-led study visits to places such as Wells Cathedral, stately homes and local towns support the academic programme for those staying more than two weeks.

'I liked the trips because I like to go to other places and see something new'
